

Great Aycliffe Town Council

Charges from 1st April 2012 to 31st March 2013

Allotments

Allotments charges must be set a year in advance in line with legislation and the 2012/13 charges were approved by the Council's Charges Working Group in October 2011.

The 2013/14 charges must be set this year and have been frozen at existing levels.

	<u>2011/12</u>	<u>2012/13</u>	<u>2013/14</u>
Clarence Chare	£34.50	£35.50	£35.50
Finchale Road	£34.50	£35.50	£35.50
St. Oswald's	£29.50	£30.50	£30.50
Aycliffe Village Large Plot	£34.50	£35.50	£35.50
Aycliffe Village Small Plot	£29.50	£30.50	£30.50
Byerley Park	£22.50	£23.00	£23.00
Pigeon Lofts	£44.50	£45.50	£45.50
Poultry Sites	£82.00	£84.00	£84.00

Please note that the above prices are based on the Council's financial year which runs from 1st April to 31st March.

The allotments year runs from 1st January to 31st December and therefore the actual charge payable will reflect three months at the 2011/12 rate and nine months at the 2012/13 year rate.

For example, the charge for St Oswald's in 2012 would be £29.50 x 3 months / 12 months plus £30.50 x 9 months / 12 months = £30.25.

The possible introduction of a tipping charge levy is to be discussed at the 2011 Allotments AGM with a view to introducing this charge for the 2013/14 financial year.
