

Great Aycliffe Town Council
Fees and Charges 1st April 2019 to 31st March 2020

Allotments

The Council has in place a charging system for allotments rents based around the size of each individual plot.

Allotments charges are set a year in advance, and the 2019/20 charges were therefore approved by the Council's Charges Working Group last year and were increased by 5%.

The charging bandings for the 2019/20 year are as follows:-

| | | |
|---------------|---|---------------|
| Band A | Allotments under 75 Metres Squared | £22.00 |
| Band B | Allotments between 75 Metres Squared and 150 Metres Squared | £30.50 |
| Band C | Allotments between 150 Metres Squared and 225 Metres Squared | £33.00 |
| Band D | Allotments between 225 Metres Squared and 300 Metres Squared | £39.00 |
| Band E | Allotments over 300 Metres Squared | £44.00 |

It has been agreed that the above charging bands will be frozen in the 2020/21 year.

Poultry Site Rents have been frozen at £94.50 for 2019/20.

Pigeon Loft Rents have been frozen at £51.50 for 2019/20.
