AGENDA ITEM NO. 14

10th April 2014

Dear Sir / Madam

Newton Aycliffe Town Centre and Industrial Estate Proposed Changes to Parking Restrictions

Following the introduction of Civil Parking Enforcement in the town, some of the local businesses and residents have contacted the County Council regarding the purpose of some of the existing waiting restrictions. We have investigated the areas of concern and have proposed some amendments.

I have attached to this letter a plan showing the proposed waiting restriction layout as well as a response card which I would be grateful if you could complete with your comments and return by xxxxx.

Should you have any queries or require clarification on any of the above please do not hesitate to contact me via the contact details at the top of the page.

Yours faithfully
