Introduction to Great Aycliffe

The Parish of Great Aycliffe comprises the town of Newton Aycliffe and the villages of Aycliffe and School Aycliffe and is the oldest New Town in the North East. The population of Great Aycliffe is approximately 26,633 (Census data 2011) and is projected to grow over the next few years.

Great Aycliffe is a vibrant community, set in an attractive semi-rural setting. It is bounded on all sides with open countryside and the area administered by the Town Council contains many attractive green spaces.

There are a great many walking routes, with a number of public rights of way and bridleways giving easy access to extensive areas of green spaces, nature areas and local wildlife areas. Many of the main thoroughfares have tree lined avenues which enhance the green feel of the town.

Throughout the late nineteenth and early twentieth centuries, the mining industry dominated Durham. During World War II, the Government established an ordnance factory near to Aycliffe Village, to supply munitions to the services. The workforce, mainly women, became known as the 'Aycliffe Angels' or the 'canaries' so called because the chemicals used in shells turned their hands and skin yellow.

After the war, Aycliffe became the site of a New Town, planned to provide good quality homes near to Aycliffe Industrial Estate. Under the guidance and control of the Aycliffe Development Corporation, the Town flourished and has grown to be part of the Great Aycliffe settlement.

Schools in the area are generally good and are increasingly linked to the higher education network. The investment and building of a University Technological College on the Business Park has enable young people from the area to have a choice of educational and vocational routes with excellent prospects for employment in nearby facilities.

It has excellent connectivity within and around the town with the A1(M) to the east and the Bishop Auckland to Darlington rail line running through the western side of the town and Business Park with two stations serving the Parish.

Aycliffe Business Park has grown beyond its original 'industrial' title to become the largest business park in the North East, attracting a wide range of international, national and local companies to its premises. The Aycliffe Business Park is home to around 500 companies and around 10,000 employees and continues to expand with a mixed-use retail development and trade park anticipated to commence work in 2019 subject to planning approval.

There is a strong community feel with a wide range of community facilities, voluntary groups, clubs and societies active in the area. A large range of play and leisure facilities are provided by Great Aycliffe Town Council and Durham County Council across the Parish with something for everyone.

Housing conditions are generally above average. Significant levels of new house building means that Aycliffe can offer a wide choice of starter, family and executive homes to new residents coming to the area.

However, parts of Great Aycliffe are ranked within the poorest 20% of deprived areas nationally. As a 'new town' Newton Aycliffe has a higher than average ageing population. Social housing in the Great Aycliffe area is mainly provided by Livin a 'not for profit' housing association, as well as a number of other registered social and private landlords and private houses.

The Town Centre has a mix of individual retail outlets and chain stores, with individual retail outlets in neighbourhood areas. The redevelopment of the town centre commenced in January 2009. A wider range of shopping facilities is available in Darlington, Bishop Auckland and Durham.

As with much of the North East, the highly attractive environment can, however, serve to mask some of the problems inherent in the area. The North East is continuing its transformation from an economy traditionally based on heavy engineering and manufacturing, with a lower skills base, towards the more modern, higher skilled mixed economy visualised in the regional economic strategy. The planned expansion for Aycliffe Business Park and the investment by Hitachi Rail Europe is assisting Aycliffe to have higher aspirations for the Town.

We are aware of the importance of the social, economic and environmental well-being of the Great Aycliffe area. We are endeavouring to work with Durham County Council, other organisations and partners to ensure the best results for Great Aycliffe residents.

CORPORATE SERVICES SECTION

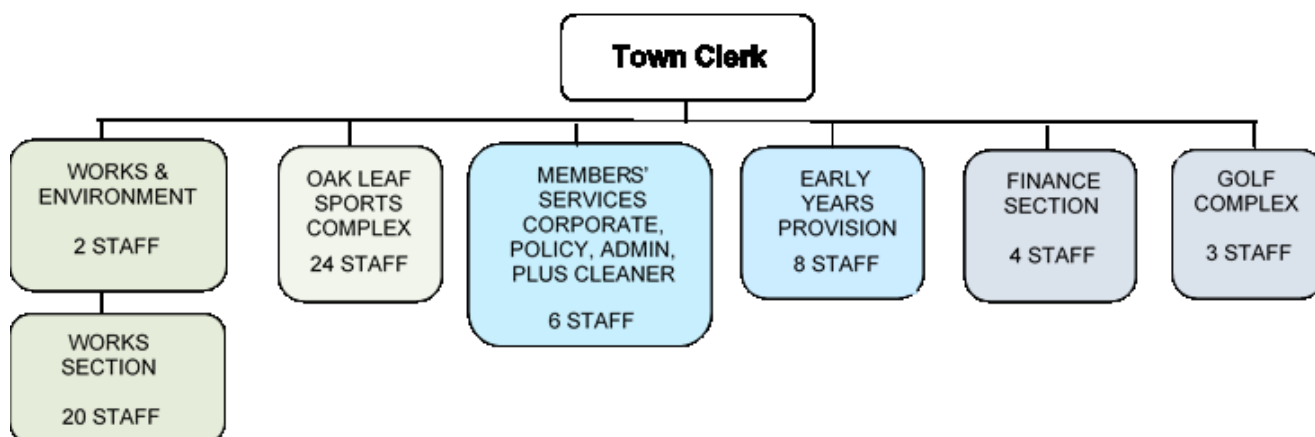

The Town Council

The Town Council Service Delivery Plan will be used as the Corporate Service Plan.

Great Aycliffe Town Council is one of the largest Town Councils in the country, with a planned Net Revenue Budget of £1,661,050 in 2019/2020.

The Council currently employs 68 staff, made up of 41 full-time and 27 part-time employees supported by a number of casual staff, who do not form part of the formal staff establishment.

The Council's Establishment

The Council also retains the services of consultants for Human Resource matters, Health & Safety and Occupational Health services and other speciality services such as IT.

The Senior Officers within the Council are:

Town Clerk	Andrew Bailey	info@great-aycliffe.gov.uk
Corporate & Policy Officer	Chrissy Walton	christine.walton@great-aycliffe.gov.uk
Finance Manager	Dan Austin	daniel.austin@great-aycliffe.gov.uk
Works & Environment Manager	Steve Cooper	steven.cooper@great-aycliffe.gov.uk
Leisure Manager	Judith Thexton	judith.thexton@great-aycliffe.gov.uk
Grounds Maintenance Co-Ordinator	Lee Williams	lee.williams@great-aycliffe.gov.uk
Senior Admin Officer	Christine Ryder	christine.ryder@great-aycliffe.gov.uk
Pre-School Manager	Julie Gale	julie.gale@great-aycliffe.gov.uk

In February 2015, following the town wide survey undertaken as part of the Neighbourhood Plan process and after consideration by Council it was agreed that the Town Council strategic mission statement should be:

“A proactive and responsive Council, working in partnership, listening to and speaking up for the community, contributing towards making Great Aycliffe an excellent place in which to live for all its residents”

In support of this statement, the Council agreed a number of strategic aims, which are reviewed on a regular basis. These are still considered fit for purpose and will help achieve the overall vision. The eight strategic aims are:-

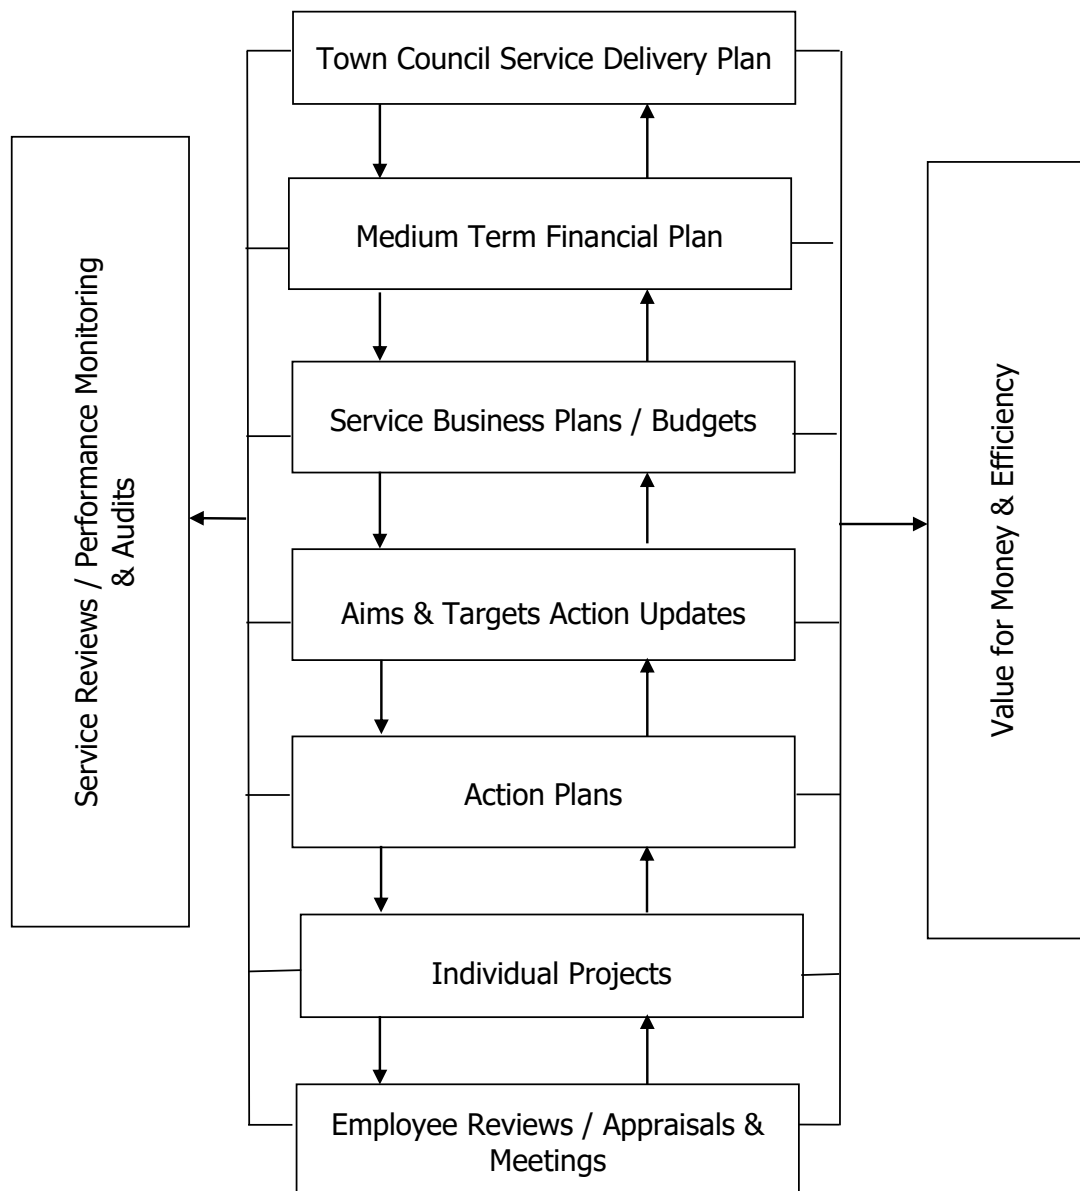

1.	To provide good quality governance and management of the Council.
2.	To manage the council’s finances and assets in a responsible manner.
3.	To provide accessible, affordable leisure facilities and opportunities.
4.	To provide pre-school education as appropriate in Great Aycliffe.
5.	To contribute to the environmental improvement of Aycliffe by managing and developing parks, play areas and green spaces.
6.	To help and encourage partnership working to improve the services and facilities for the residents of Great Aycliffe.
7.	To encourage the residents of Great Aycliffe to become involved in local democracy.
8.	To research information and make the case for Great Aycliffe.

As part of the Great Aycliffe Neighbourhood Plan (GANP) consultation process, residents were asked specifically about Town Council services, including if they considered the vision and strategic aims were still relevant for the Town Council and the residents of Great Aycliffe. 93% of respondents agreed the vision and 92.5% of respondents agreed the strategic aims were still appropriate.

The Council sets a series of targets under each aim to ensure that the aims are met. The targets are reviewed annually as part of the end of year assessment process. Following the GANP consultation, a more robust and comprehensive review was undertaken by Senior Management Team and the Performance Management Group to ensure comments made during the consultation process could be incorporated into the targets for the Town Council.

Performance Management

The successful introduction of a comprehensive performance management framework a number of years ago ensures a consistent approach to performance management is applied across all services. Quarterly monitoring of targets and regular progress reports to the Council are also undertaken. These improvements have been closely linked with the budget setting process and risk assessment.

Progress on Council targets is discussed at Performance Management Group, which all service managers attend. The Review Sub-Committee regularly reviews progress on the existing targets and works with Senior Officers to set new targets for the coming year. A report is given to the Council on a quarterly basis and the Customer Panel annually. The progress made during the year informs the development of targets for the following year.

Council Targets 2018/19

When setting targets every effort is made to ensure the aims and targets are closely linked to medium term financial planning, the budget setting process and within the context of the Council's Asset Management Plan. It is acknowledged that some work matters and capital projects are generated from other areas as and when funding becomes available.

Additional funding is occasionally made available from other sources, giving rise to one-off projects that are not part of the aims and targets but are important to take advantage of. The Town Council Service Delivery Plan is therefore only a guide for the Council in deciding on

spending priorities in future years and guides the medium term financial planning for the Council.

The targets for the last financial year including a statement of progress achieved against each target are set out in **Appendix 1** which provides the close out status on the targets.

Council Targets 2019/20

We aim to take into account your views and act upon your priorities in order to improve our services for the people of Great Aycliffe.

We also strive to take into account the wider government agendas where possible, such as the Area Action Partnership and the general health improvement agenda.

Consultations, questionnaires and attending public meetings ensure we are able to reflect the needs of the residents when we set and prioritise the targets for the Council. The Council's budgets are developed in line with these targets. In addition, Members, the Customer Panel and Youth Council have also been consulted and an annual budget consultation is also held.

It is worth noting, once again, that the **Town Centre is in private ownership and is NOT** the responsibility of the Town Council. The Town Council has limited input into any meetings or progress made in this area, although we strive to have a larger impact.

The list of new targets for the coming financial year can be found at **Appendix 2**.

Some represent one-off proposals, others a continuing programme of improvements in a particular area.

Capital Programme Budgets are prepared annually, based on the future capital investment requirements set out in the Council's Asset Management Plan. Indicative five-year capital budgets are also included in the Council's Medium Term Financial Plan.

The Asset Management Plan covers a ten-year period and ensures that the Council takes a planned approach to the long-term maintenance of its assets. It also ensures that capital projects are undertaken within the context of the Council's strategic aims and targets set out within this document.

Community Consultation

A wide range of consultations take place on a regular basis and we use a number of different methods to encourage all ages to take part and give us their views.

Surveys are undertaken each year for users of the Oak Leaf Sports Complex and Senior Citizen's Excursions.

The allotment holders are surveyed every two years, and other ad-hoc surveys are undertaken as and when required.

Officers from the Town Council attend community events to highlight the services it provides and gather residents view.

A Customer Panel was set up in August 2007 and although we don't meet as often as in previous years they are involved in the setting of Council targets, consulted on a range of matters including the budget setting process and the annual budget consultation.

A Youth Council was set up in November 2008 who is also consulted on a range of matters. In addition, the Youth Council has been given a devolved budget to help deliver specific projects highlighted by the young people of the Great Aycliffe area.

We will continue to be flexible in our approach to consultation, but our methods of consultation will be realistic in terms of cost and available resources. The Council continues to have a regular programme for surveying users of our services, and we continue to publish a quarterly newsletter.

Value for Money

The Town Council considers it vital to continue to deliver services under the ethos of best value and providing value for money to the local tax payers.

The Town Council normally consults its community on a regular basis from a town wide satisfaction survey undertaken every three years.

The 'value for money' and 'satisfaction with services' are set out below.

Provides value for money

2007	2009	2014
63%	72%	79%

Satisfaction with the work of the Town Council

2007	2009	2014
63%	72%	77%

As the question was asked as part of the Great Aycliffe Neighbourhood Plan Consultation a more detailed analysis of the negative responses was undertaken. These showed that they related to services with the Town Council do not provide, such as the state of the town centre, comments about street lights, refuse collection and the state of the refuse tip. When these comments were removed altogether this took the figures to:-

Providing Value for Money 84%
Satisfaction with the Town Council 82%

The Town Council undertakes an annual review of its functions, measures performance on a quarterly basis and produces a number of strategic documents, including this plan and the Medium Term Financial Plan.

Consultations on specific projects and the annual budget consultation continue to take place.

Great Aycliffe Town Council will continue to make arrangements to secure continuous improvements in the way in which it exercises its functions, having regard to a combination of economy, efficiency and effectiveness in the use of public money.

The Council will continue to undertake a programme of service reviews which have member involvement. The **Service Review Working Group** is charged with the following responsibilities:

- ◆ To undertake reviews of services as determined by the Council from time to time.
- ◆ To consider and make recommendations to the appropriate committee regarding all aspects of value for money for that service.

A **Review Sub-Committee** was established in May 2015 which is tasked with reviewing the work of corporate services including the following specific responsibilities:

- ◆ To review the Town Council Service Delivery Plan to ensure it is fit for purpose and clearly defines the work of the Town Council.
- ◆ To consider the setting and review of the Council's strategic targets on an annual basis.
- ◆ To undertake a review of the Council's policies.
- ◆ To prioritise the services of the Council and make recommendations to the Service Review Working Group to ensure that a joined up approach is delivered when reviewing both service delivery and targets.

Election of Mayor

The Council elects a Town Mayor annually from amongst its members and the Mayor for 2019/20 is Councillor Mrs. Mary Dalton. The Mayor has chosen S.S.A.F.A. as her charity for her term of office.

There are a number of formal civic engagements each year, which include:

- ◆ The Civic Dinner
- ◆ A Civic Service
- ◆ Remembrance Sunday
- ◆ Mayor's 'At Home'
- ◆ Carol Service

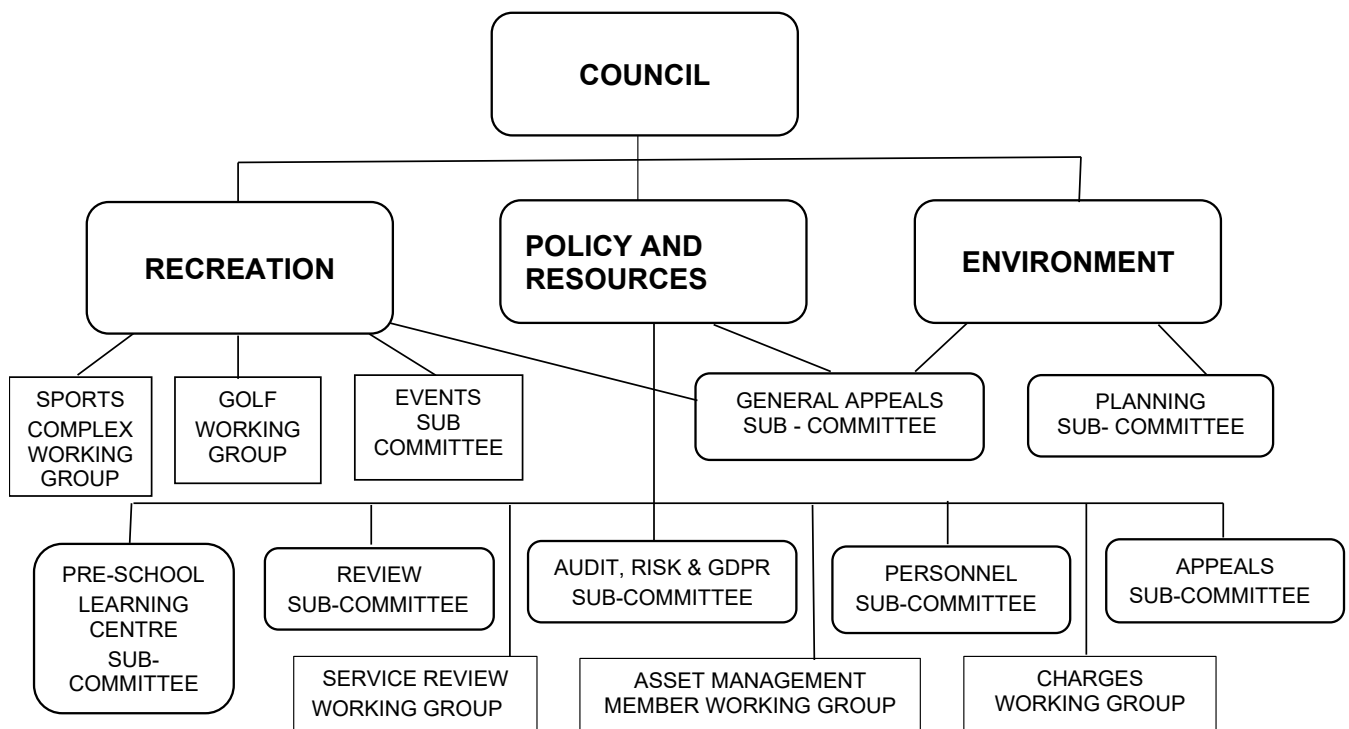

Councillor John Clark was elected as Mayor of Great Aycliffe in May 2018 and his term of office lasted until the Annual General Meeting of the Council in May 2019.

In addition to the formal Civic events, the Mayor attended a further 66 engagements and was escorted by his Mayoress, Ms. Bernardette Moore.

The Mayor raised £2415.00 for his nominated charity in his year of office.

Committee Structure

The Council originally considered its Constitution in 2005/06. The Constitution was adopted in May 2009 with a review undertaken each May. The Constitution is reviewed annually to ensure it is still relevant and fit for purpose for the Town Council.

The Local Authorities' (Members' Allowances) Regulations 2003 came into force on the 1st May 2003, which allowed the Council to pay each member a basic parish allowance.

After taking advice from the Independent Remuneration Panel of Durham County Council in 2018, the level of remuneration was set at £1,330.00 per annum for each member of the Town Council. This amount has not increased since that date.

Appointment of Committees

The three main committees are appointed at the Council's Annual General Meeting in May each year and a list of the dates for the committee meetings in 2019/20 is set out in the Council's newsletter and are available on the Council's website.

Members for the various sub-committees, working groups and representatives on outside bodies are also appointed at the Council's Annual General Meeting.

Public Participation

Meetings of the Council, its Committees and Sub-Committees are normally open to the public, unless their presence is prejudicial to the public interest because of the confidential nature of the business or for some other special reason.

Notices and agendas are displayed on local and Council notice boards. Agendas and reports are available from the Council Offices or website on the Friday afternoon preceding the meeting. Meeting dates are published in the Council's newsletter.

The public entrance to the council chamber opens 30 minutes prior to the meeting.

During the public questions item on Council, Committee and Sub-Committee agendas, members of the public may make representations, ask questions and give evidence in regard to agenda items at the meeting attended. A period of up to 20 minutes has been allocated at each Council or Committee for this purpose. Each person may speak once for 3 minutes only in respect of business itemised on the agenda.

With the exception of the Annual and Extraordinary Council meetings, members of the public may submit a written question, in advance, for the Council agenda. In addition, verbal questions may also be raised by the public.

However, there are strict protocols governing written and verbal public questions and the circumstances in which they may be posed and responded to. Full details governing written and verbal questions to the Council are included on the website or may be obtained from the Council Offices.

Public Filming, recording or other reporting at Council/ Committee meetings

The Council understands that it is required by legislation to allow any member of the public to take photographs, film and audio record the proceedings and report on all public meetings and that **no** prior permission is required. However, we ask that any person wishing to film or audio record a public meeting let Council staff know in order that all necessary arrangements can be made for the public meeting.

The Council will provide "reasonable facilities" to facilitate reporting and provide a space to view and hear the meetings, seats and a table. However, this will not be part of the seating arrangements for the Council itself or an area required by Council staff or invited guests.

It is not permitted to provide a running verbal commentary

Those undertaking reporting must not act in a disruptive manner such as making excessive noise, use of intrusive lighting, use of flash photography or moving around the designated area without the consent of the Chairman.

Public will be excluded from a meeting, under the Council's Standing Orders, if acting in a disruptive manner.

Recording equipment must be removed from the chamber if at any stage the meeting becomes a private meeting. No trailing cables or plugging in to sockets of electrical equipment will be permitted.

Children and vulnerable adults are not to be filmed, recorded or photographed or otherwise reported about where the relevant responsible adult has not given consent.

Part of the public area will be used, if required, for children and vulnerable adults or those public attending who do not wish to be filmed, however, this is within the limitation of the Council Chamber and its layout.

Persons taking part in the public participation section, excluding children and vulnerable adults as indicated above, may be filmed, recorded or photographed or otherwise reported whether they are in a designated area or not.

Relationship with Durham County Council

Local government in England and Wales is provided by a network of primary and secondary councils. The primary council serving the Great Aycliffe area is Durham County Council.

Great Aycliffe is constituted as a town council and is therefore the tier of local government closest to the residents.

Durham County Council is responsible for providing education, social services, fire and consumer protection, strategic and local planning, waste collection and disposal, economic development and leisure. Durham County Council has a number of Area Action Partnerships which try to provide a link between the residents and the County Council.

The Area Action Partnership has been in place since April 2009 – The Great Aycliffe and Middridge Partnership (GAMP). The Town Council makes every effort to play a significant role within this group and wherever possible reflect the wider needs of the area.

The top three priorities for GAMP have been identified as:

1. Children, Young People & Families
2. Employment, Enterprise & Training
3. Older People

The Town Council aims try to reflect these priorities and to deliver targets in line with the above whenever possible.

TOWN COUNCIL SERVICE AREAS

Service Areas

This section of the Plan explains the individual services we provide and the purpose of the service.

Because of the increasing emphasis on ensuring that all Great Aycliffe Town Council targets can demonstrate direct linkage to the overall aims of the Council, individual service areas have developed service plans and action plans which can be linked back clearly to the Council's aims.

Works and Environment Section

The Works and Environment Section provides a range of what might be called 'grounds maintenance' services, including grass-cutting, floral bedding displays, hard and soft landscaping, tree maintenance and planting, play equipment maintenance and installation, litter-picking, supervision of park activities, maintenance of parks, playing fields, woodlands, nature areas, open spaces and amenity areas, a burial service and the preparation of graves.

In addition, the Section carries out the inspection and maintenance of Town Council owned buildings and property, and inspects and maintains **Town Council owned** footpaths, roads, cemeteries, bridges, public seats and bus shelters.

- ◆ To work with schools to encourage environmental awareness
- ◆ To manage and maintain wild flower areas and wetlands.

The Works and Environment Service charges are allocated across other service areas' budget headings as appropriate and this reflects the variety and range of the work which the Section undertakes.

The **objectives** of the Section need to reflect the variety of services provision and is:

- ◆ To ensure adequate provision and management of well-maintained and accessible environmental areas, allotments, cemeteries, parks and play areas, which meet the needs of all the community in a cost effective, efficient and timely manner.

Parks and Play Areas

We currently manage and maintain 9 parks, all of which have play equipment.

The 9 parks are:

- ◆ Town Park
- ◆ Woodham
- ◆ St Oswald's
- ◆ Simpasture
- ◆ Aycliffe Village
- ◆ Moore Lane
- ◆ West Park
- ◆ Horndale
- ◆ Byerley Park

We also provide and maintain play areas at School Aycliffe, Scott Place, Cobblers Hall and the Oak Leaf Sports Complex.

The Works and Environment Section carry out maintenance and upkeep of the parks and the play equipment in them and also employs a Park Patrol Service to carry out regular patrols of these areas to prevent anti-social behaviour and any misuse of the facilities. Regular inspections are undertaken of play equipment to ensure that it is safe.

The **objectives** for this service area are:

- ◆ To maintain the Council's parks and play equipment in order to provide a clean, safe environment for the community to use
- ◆ To carry out a phased programme of replacing play equipment in the Council's parks.

Playing Pitches

The Council provides five full sized permanent football pitches for the use of the community with 4 senior teams and various youth football teams using these during each football season. The football pitches are located at:

- ◆ Oak Leaf Sports Complex
- ◆ Simpasture Park
- ◆ Moore Lane Park

In addition, we provide mini-soccer facilities, which cater for junior football teams at the Oak Leaf Sports Complex fields.

Our seasonal charges for the pitches range from £450 to £640, depending on location and the facilities provided. Junior team fees have been frozen at £370.

The **objectives** for this service area are:

- ◆ To seek to provide sufficient playing pitches to meet the demand from the community
- ◆ To ensure that the pitches provided by the Council are maintained to an acceptable standard
- ◆ To liaise with and work in partnership with other appropriate bodies to secure the availability of suitable playing pitches and to consult as necessary with users
- ◆ To keep under review the charging policy for the use of playing pitches.

Allotments

The Council provides and supervises five allotment sites. These are located at Aycliffe Village, Finchale Road, Clarence Chare, Byerley Park and St Oswald's Park. There are a total of 212 allotments and fees range from £22.00 to £44.00 per year depending on the size of the plot.

We also provide 9 pigeon sites at St. Oswald's and 5 poultry sites at Clarence Chare.

We will be implementing 5 sites at St. Oswald's for the specific purpose of keeping bees.

At the inaugural Allotment Tenants Annual Meeting in 2001 and again in February 2010, tenants were asked if they would like to form an allotments association and manage the sites themselves.

The tenants decided that they wanted the Council to manage the sites and agreed to an 'Allotments Charter', which sets out the Council's future commitment to the allotments and also the maintenance standards we intend to achieve and maintain at the sites.

The annual meeting, which is open to all allotment tenants, ensures that the Charter's standards are adhered to.

As a Council we continue to explore new initiatives to reduce green waste and have produced a Good Composting Guide, which has been issued to all tenants.

New allotment tenants are also provided with an Allotment Tenants Handbook, which contains useful information and tips on how to get started.

Training was provided to anyone who was interested on 'How to Keep Bees' to ensure that residents who may wish to take on a 'bee plot' fully understand the requirements of keeping bees.

The **objectives** of this service area are:

- ◆ To provide sufficient allotment plots to meet demand
- ◆ To maintain all allotment sites up to the standards set out in the Council's Allotments Charter and Tenancy Agreement
- ◆ To liaise with allotment holders and their representatives on a regular basis
- ◆ To ensure that the obligations of the allotment holders under the Allotments Charter are carried out.

Cemeteries and Burials

The Town Council is the burial authority and is responsible for the following facilities:

- ◆ Stephenson Way Cemetery
- ◆ West Cemetery

Stephenson Way Cemetery was opened for interments in 1963 and West Cemetery in 2000.

Burial spaces are available at both cemeteries. However, Stephenson Way is now restricted to reserved and cremated remains plots as the cemetery nears full capacity.

In addition, the Council carries out the burial function at Aycliffe Village Churchyard and also maintains the Church grounds. The burial function is undertaken on a rechargeable basis.

The Council works hard to ensure that not only does it provide high quality services, delivered in a professional and sympathetic manner, but that these standards are also observed by funeral directors and stonemasons when carrying out duties in the cemeteries.

To this end, the Council introduced an approval scheme for stonemasons. Only stonemasons on the approved list are allowed to operate in the Council's cemeteries. Before being accepted on the approved list, stonemasons must provide references from other local authorities regarding standards of workmanship and also produce health and safety documentation and public liability insurance certificates.

In an effort to help bereaved families through a difficult time in their lives, the Council has also produced a reader-friendly booklet, which is issued to grant holders, detailing various aspects of cemetery procedures.

The **objectives** of this service area are:

- ◆ To provide facilities for burials.

- ◆ To provide and manage attractive and well-maintained cemeteries for parishioners and non-parishioners alike
- ◆ To ensure that liaison with undertakers, stonemasons, ministers and the bereaved, and the administration of the service are efficient, professional and sympathetic at all times.

Street Equipment

This service area relates to the maintenance of street equipment such as bus shelters, dog bins, litter bins, public seats and parish footway lighting.

The Town Council provides public seating and most of the bus shelters within the parish (with the exception of the Adshel style shelters located on Woodham Way, Williamfield Way, Burnhill Way and the Business Park).

We also provide **some** footpath lighting, dog bins and litter bins on areas for which we have responsibility. Although, **Durham County Council is responsible for the emptying of all dog bins** and provide most dog and litter bins.

The **objectives** of this service area are:

- ◆ To keep under review the demand/requirements for additional street equipment
- ◆ To ensure that existing equipment is maintained in a clean and safe condition
- ◆ To respond effectively to remove graffiti from premises and property for which the Council has responsibility.

Environment

One of the key roles of the Works and Environment Manager is to raise environmental awareness within the Great Aycliffe area and two multi skilled 'Town Pride' operatives enable the Town Council to deal with urgent and also assist with various environmental issues.

In addition, the Works and Environmental Manager coordinates works with other external bodies such as local schools, Police and Youth Offending Service to raise awareness about the environment, climate change and developing a sense of pride in our local area.

The Environment Centre in Moore Lane Pavilion is the base for many community and school events; this is supplemented with various other activities around the town.

The **objectives** of this service are:

- ◆ To create a greater understanding of the natural environment around Great Aycliffe
- ◆ To provide opportunities for members of the public to become more involved in their Town's practical environmental management

Pre-School Learning

The Council's aim is to provide a high quality service, where every child feels protected, is happy and has fun, in a safe and secure learning environment at St Oswald's. We provide up to 40 places for three-year olds and up to 12 places for two-year olds, term-time only from 8.30am until 3.30pm.

Our standards are high and St Oswald's Pre-school has received a successful inspection from the Office for Standards in Education (Ofsted), receiving a 'good' grading at their last inspection.

To enable us to develop and maintain these standards we have an excellent ratio of well-trained and motivated staff, who work with the children on a daily basis.

The Pre-school Manager ensures the smooth running of the Pre-School in accordance with council policy and current legislation.

The continual training of the staff is vital to the operation of the Pre-School, and the Council ensures that sufficient resources are available to ensure that high standards continue to be achieved.

The **objectives** of this service area are:

- ◆ To ensure the Pre-school is fully inclusive in meeting the needs of all children, particularly those that arise from their ethnic heritage, social and economic background, gender, ability or disability.

- ◆ To seek to secure, for the benefit of the service, assistance, resources and contributions towards its operation
- ◆ To keep the service under review and to make appropriate recommendations.

Oak Leaf Sports Complex

The Oak Leaf Sports Complex is a family friendly facility, open 7 days each week from 9.00 am until 11.00 pm. We continue to provide facilities for five-a-side football, badminton and table tennis within the main sports hall. The Complex also provides the Town's only squash courts and indoor bowls facility.

The bar/catering function provides an excellent facility and a range of reasonably priced meals. The function room can cater for 60 users and is able to offer an excellent venue for a number of leisure activities such as private functions, meetings, bridge and various fitness classes. We employ 25 staff within the Complex, supported by a pool of casual and coaching staff.

The **objectives** for this service area are:

- ◆ To provide and maintain a variety of sporting activities commensurate with the size and capability of the Complex and in accordance with the Council's priorities
- ◆ To be flexible in our approach to the facilities provided
- ◆ To provide and maintain a bar/catering facility
- ◆ To ensure that an efficient and effective booking service is operated for those wishing to use the facilities
- ◆ To seek to maintain or increase levels of usage for each of the activities undertaken
- ◆ To be alert to new initiatives and to seek to diversify events/activities within the Sports Complex and provide appropriate and timely advice to the Council in relation to the same.

Oak Leaf Golf Course and Driving Range

The Council provides an 18-hole golf course and an 18-bay driving range. There is involvement from a number of different sections in the operation of both.

The main **responsibilities** for the service are:

- ◆ To work with, and provide an administrative service for, the Oak Leaf Golf Club
- ◆ To promote and support junior golf in all appropriate ways

The Works and Environment Section employ green-keeping specialists who are dedicated to maintaining the course to a high standard.

The **objectives** in relation to these two facilities are:

- ◆ To maintain the Golf Course and Driving Range to an acceptable standard.

The Council also has in place a Golf Working Group whose main responsibilities are:

- ◆ To keep the course layout under review, with the intention of all-year-round 18-hole provision
- ◆ To keep under review the management arrangements for the two facilities
- ◆ To ensure that there is an opportunity within the Golf Working Group for users to make their views known on the operation of the facilities.

PEST ANALYSIS

In analysing the macro-environment, it is important to identify **external factors** that might in turn affect a number of variables that are likely to influence the operation of the Council.

This PEST analysis is merely a framework that categorises issues as political, economic, social and technological forces.

This analysis is not a set of rigid compartments into which ideas need to be sorted it is best thought of as a set of information on what is happening externally that will or may affect the service.
