1. OFFICER'S CODE OF CONDUCT - POLICY OUTLINE

1.1 What is the policy about?

The Code sets out the standards which are expected of employees and provides a framework which will help to promote best practice. All employees of the Council are required to observe and uphold the standards of the code and all policies and procedures of the Council. Failure to do so is a serious matter which could result in disciplinary action. The Code provides guidelines for employees to help maintain and improve standards and protect employees from misunderstanding or criticism.

1.2 Who does the policy apply to?

This policy covers all employees.

1.3 Responsibility

All employees of the Council are expected to give the highest possible standard of service to the public, and where it is part of their duties, to provide appropriate advice to councillors and fellow employees with impartiality.

1.4 Confidentiality

All information will be handled sensitively and used only for its proper purpose.

Under the Data Protection Act 1998 individuals have the right to see their own personal data held subject to the rights of confidentiality of any third parties involved in that information.

1.5 Dealing with abuses of the policy

Employees who attempt to abuse this policy may face disciplinary action. The Council takes false or misleading accusations very seriously which may result in further action taken through the disciplinary procedure. This will not include ill-founded allegations that were made in good faith.

1.6 Publicising/distribution of the policy

A copy of this policy is issued to every employee. A copy can also be viewed via the electronic filing folder or in the Constitution files.

New employees will be informed of the existence of this policy in recruitment and induction information.

1.7 Reviewing the policy

The Council will keep the operation of this policy under review and will make such changes to the policy as deemed appropriate following necessary consultation with the trade unions.

1.8 Equality and Diversity

All employees must ensure that policies relating to equality issues as agreed by the Council are complied with, in addition to the requirements of the law. This applies both in the delivery of our services and in relation to our employment practices. We are committed to including equalities in everything we do. This includes the elimination of unlawful discrimination, promoting diversity as a positive force and valuing and celebrating our diverse workforce and community.

If necessary, an equality impact assessment will be carried out in the preparation of this policy and the assessment will be reviewed on an ongoing basis.

1.9 Alternative formats

Where any alternative format is required, any initial enquiry should be made through your line manager.

1.10 Forms

Forms relating to this policy and procedure will be downloadable from the electronic filing folder, or are available from the Administration Section. Sample forms are included at the back of this document for information purposes only.

1.11 Further information

If you require any further advice relating to this document, you should contact your line manager in the first instance.

2. PROCEDURE

2.1 Standards and attitude

Employees must give the highest possible standard of service to the public and, where it is part of their duties, provide appropriate advice to Elected Members and fellow employees with impartiality.

Employees must always remember their responsibilities to the community they serve and ensure courteous, efficient and impartial delivery of services to all groups and people within that community according to the Council's policies.

In all cases, it is not enough to avoid actual impropriety, as public perceptions are very important. Employees should at all times avoid any appearance of improper conduct, which may give rise to suspicion.

2.2 Confidentiality and disclosure of information

The law says that certain types of information must be open to councillors, auditors, government directorates, service users and the public. If you do not know whether you can release any particular information, always check with your manager first.

Employees shall not divulge to any person (other than another member of staff or member of the Town Council that requires information for the performance of his/her duties), any information which the member of staff has obtained by reason of his/her employment to the Council, except where that information is anyway in the public domain by virtue of the Local Government Act 2000 or similar legislation such as Data Protection.

In particular, no member of staff shall divulge personal information regarding any employee, person or contractor, having dealings with the Authority and information relating to tenders or other such issues. You can only give information according to the requirements of the Data Protection Act 1998 (see Appendix A).

Whilst staff are encouraged to be open to the press, the press should only be provided with information which would normally be available publicly. If the employee is in any doubt as to whether or not the information can be disclosed for the press, prior approval from the Town Clerk must be sought in the first instance.

2.3 Political neutrality

Employees serve the Council as a whole. Employees must serve all elected Members. In addition, they must ensure that the individual rights of all elected Members are respected.

Subject to rules laid down from time to time, employees may be required to advise political groups. They must do so in ways consistent with the employee's neutrality.

Whether or not employees are politically restricted by the law, they must follow the lawfully expressed policies of the Council and must not allow their own personal or political opinions to interfere improperly with their work

2.4 Relationships

2.4.1 Councillors

Mutual respect between employees and councillors is essential for good local government. Some employees need to work closely with councillors. Close personal familiarity between employees and individual councillors can damage the relationship and prove embarrassing to other employees and councillors, and should therefore be avoided.

2.4.2 The local community and service users

Employees should always remember their responsibilities to the whole of the community they serve and ensure courteous, effective and impartial service delivery to all groups and individuals within that community in accordance with the policies of the Council.

2.4.3 Contractors

All relationships of a business or personal nature with external contractors or suppliers, or potential contractors or suppliers, must be declared to the Town Clerk on Form GATC C1 at the earliest opportunity. Orders and contracts must be awarded in accordance with Council standing orders and no special favour should be shown to businesses run by, for example, friends, partners or relatives.

Employees who, in the course of their job, engage, supervise contractors, or have any other official relationship with contractors, must declare as soon as possible, that relationship in writing to the Town Clerk. Any employees who have, or in the past had, a relationship in a private or domestic capacity with contractors (or their senior staff), must also declare as soon as possible, that relationship in writing to the Town Clerk on Form GATC C1. (See Appendix E).

2.5 Appointment and other employment matters

All employees must have regard to the Council's Officer Employment Procedure Rules/Standing Orders.

Employees shall not canvass any Member or Officer of the Council in respect of candidates seeking employment with the Council. Officers paid on spinal column point 29 or above shall disclose to the Town Clerk any relationship known to exist between themselves and any person who they know is a candidate for employment with the Council on Form GATC C2.

Employees who are involved in appointments must ensure that these are made on merit. There is a strong risk of litigation if an employee makes an appointment based on anything other than the ability of the applicant to undertake the duties of the post.

To avoid accusations of bias, employees must not be involved with appointments where they are related to any applicant or otherwise have a close personal relationship with them.

By the same token employees must not be involved in supervisory decisions relating to the discipline, promotion or remuneration (re-grading) of any employee to whom they are related or otherwise have a close personal relationship.

2.6 Outside commitments

Your off-duty hours are your own concern, but you should make sure that you do not allow yourself to get into a position where your private interests come into conflict with your contractual obligations and are detrimental to the interests of the Council.

All employees paid on spinal column point 29 or above are normally expected to devote their working time only to Great Aycliffe Town Council. However, in exceptional circumstances, consent can be given for employees to engage in any other business by applying to the Town Clerk on form GATC C3.

2.7 Personal interests

You must declare to the Town Clerk on Form GATC C4 any financial or non-financial interests which could bring about conflict with the Council's interests. If you are in any doubt about a potential conflict of interest, you should bring the matter to the attention of your manager or supervisor so that a decision can be made as to how best to proceed. You must not make, or become involved with any official or professional decisions about matters in which you have a personal interest. Section 117 of the Local Government Act 1972 (See Appendix B) requires you to make a formal declaration about contracts or personal contracts with the Council in which you have a pecuniary interest.

Such declarations should be made on Form GATC C5 and sent to the Town Clerk. It is a criminal offence to fail to comply with this provision which is set out in full in the Guidance Note. You must declare to the Town Clerk membership of any organisation not open to the public, requiring any commitment of allegiance, or which has secrecy about rules or membership or conduct, for example, the freemasons. A definition of such an organisation appears in Appendix C. Such declarations should be made on Form GATC C6 and sent to the Town Clerk.

2.8 Equality

All members of the local community, customers and other council employees have a right to be treated with fairness and equity. You should become familiar with and observe all Council policies relating to equality issues, e.g. the Council's equality and diversity policy, in addition to the requirements of the law.

2.9 Tendering procedures

Employees involved in the tendering process or who have any other official relationship with contractors, must exercise fairness and impartiality when dealing with all customers, suppliers, other contractors and sub-contractors. If you are responsible for engaging or supervising contractors and have previously had, or currently have, a relationship in a private or domestic capacity with contractors, you must declare that relationship to the Town Clerk, using Form GATC C4.

If you become privy to confidential information on tenders or costs relating either to internal or external contractors, you must not disclose that information to any unauthorised person. All employees must ensure that no special favour is shown to current, or recent former, employees or their partners, close relatives or associates in awarding contracts to businesses run by them or employing them in any capacity.

At all times, employees dealing with Tenders and Contracts must ensure that they comply with the Council's Standing Orders with respect to Contracts and Financial Regulations.

2.10 Corruption

Employees must be aware that it is a serious criminal offence under the Bribery Act 2010 (see Appendix D) for them to receive or give any gift, loan or reward or advantage in their official capacity "for doing, or not doing, anything", or "showing favour, or disfavour to any person". If an allegation is made against you, it will be for you to demonstrate that any such rewards have not been corruptly obtained. If anyone makes an approach to you which seems to you, or might seem to a third party, to be aimed at obtaining some form of preferential treatment, or in any

suspicious circumstances in connection with a contract, you must report the matter to the Town Clerk.

2.11 Possible inducements

2.11.1 Introduction

Employees are expected to use the Council's money and resources with absolute honesty and be able to demonstrate this at all times.

A potential source of conflict between public and private interests is the offer of gifts, hospitality or benefits in kind to employees in connection with their official duties. It is important to avoid any suggestion of improper influence. There is a checklist to help you at the end of this section.

2.11.2 Gifts generally

Casual gifts offered to employees by contractors, organisations, firms or individuals may not be intended as an inducement or connected in any way with the performance of your official duties so as to involve the Bribery Act 2010. Nevertheless, with the exceptions listed below, you should decline any personal gift offered to you, or to a member of your family, by any person or organisation having dealings with the Council. Any such offer should be reported to the Town Clerk on Form GATC C7.

When a gift needs to be refused, this should be done with tact and courtesy, because the offer of gifts is common custom and practice in the commercial world, particularly at Christmas time. If the gift is simply delivered to your place of work, there may be a problem returning it, in which case it should be reported immediately to the Town Clerk.

2.11.3 Gifts to employees with a caring role

There are sometimes special problems encountered by employees who have a "caring" role. Employees responsible for care of infants may be offered small tokens of appreciation from parents at end of term or when leaving to move on to school (see exceptions 2.11.4). Donations of money to pre-school funds are permitted but not to individuals.

2.11.4 Exceptions

- Gifts of a token value given at Christmas, such as calendars, diaries, blotters, pens or other simple items of office equipment for use in Council offices, but only if it bears the company's name or insignia.
- Gifts of a promotional nature on the conclusion of a courtesy visit to a factory or company offices, of a sort normally given by the company to visitors.
- Gifts of a token nature from parents/children at pre-schools.

2.11.5 Hospitality

Offers of hospitality are a normal part of the courtesies of business life but in the public service it is important for employees to avoid creating an appearance of improper influence, thus

undermining public confidence. Hospitality is sometimes offered to representatives of the Council in an official or formal capacity.

Normally the only officers who would attend would be chief officers and recognised deputies. If hospitality is offered to you as an individual employee, special caution is needed, particularly when the host is seeking to do business with the Council or to obtain a decision from it.

You must exercise the utmost care in dealing with contractors, developers, etc, who may stand to benefit from the goodwill of the Council. You should also be careful about attending exhibitions, seminars or visiting manufacturers, etc. There is an increasing trend towards linking such visits to, for example, a major sporting event, show or concert with a view to legitimising offers of hospitality. In general terms, it is more likely to be acceptable for you to join in hospitality offered to a group, than to accept something unique to yourself.

When a particular person or body has a matter currently in issue with the Council, for example, an arbitration arising from a contract, then clearly common sense dictates that offers of hospitality should be refused even if in normal times they would be acceptable. Hospitality offered by charitable or social organisations, usually in connection with an invitation to speak to the body, can be accepted. All offers of hospitality should be reported to the Town Clerk on Form GATC C7.

2.11.6 Checklist

The question in all these cases is one of judgement, and the following checklist of queries should help you to decide whether a gift or an offer of hospitality should be accepted or tactfully declined.

- Is the donor, or event, significant in the community?
- Are you expected to attend because of your position in the community?
- Will the event be attended by others of a similar standing in the community or in other communities?
- What do you think is the motivation behind the invitation?
- Would acceptance of the invitation be, in any way, inappropriate or place you under pressure in relation to any current or future issue involving the Council?
- Could you justify the decision to the Council, press and public?
- Is the extent of the hospitality or the nature of the gift reasonable and appropriate?
- Are you likely to be expected to respond to the hospitality, and if so, how?
- Are you comfortable about the decision?

2.11.7 Sponsorship - giving and receiving

Where an outside organisation wishes to sponsor or is seeking to sponsor a Council activity, whether by invitation, tender, negotiation or voluntarily, the basic conventions concerning acceptance of gifts or hospitality apply. Particular care must be taken when dealing with contractors or potential contractors.

Where the Council wishes to sponsor an event or service, neither an employee nor any partner/civil partner, spouse nor relative must benefit from such sponsorship in a direct way without there being full disclosure to the Town Clerk of any such interest. Similarly, where the Council through sponsorship, grant aid, financial or other means, gives support in the community, employees should ensure that impartial advice is given and that there is no conflict of interest involved.

2.12 Financial regulations

All employees involved in financial activities and transactions on behalf of the Council, including budgetary control, payments of accounts, payments of salaries and wages, petty cash and orders for works, goods or services must follow the Council's financial regulations. They must ensure that they use public funds entrusted to them in a responsible and lawful manner. They should strive to ensure value for money to the local community and to avoid legal challenge to the council.

Any breaches of these instructions may lead to disciplinary action and could lead to dismissal.

APPENDIX A - GENERAL DATA PROTECTION REGULATIONS (GDPR)

The General Data Protection Regulations come into force on 25 May 2018. It is Europe's new framework for data protection laws. It replaces the previous 1995 Data Protection directive, which current UK law is based upon. It will be enforced by the Information Commissioner's Office (ICO).

Many of the GDPR's main concepts and principles are much the same as those in the current Data Protection Act (DPA). If you are complying properly with the current law then most of your approach to compliance will remain valid under the GDPR.

The act covers paper and electronic data including emails. Data is any information that would enable a living person to be identified such as name, address, date of birth.

If you have any data you should consider:-

- the reasons why you collected it in the first place
- Is there a valid legal or contractual reason?
- Is it part of an on-going matter?
- why you still need to retain it?
- And it must be held for no longer than necessary.

If you hold any personal data, including information contained within old reports, you will be classed as a 'Data Controller'. You must not share that data without the individual's explicit consent. YOU will be responsible for any breaches in data protection if have chosen to retain this information at your home and may be liable to a hefty fine if there is a breach in the regulations.

If you are in doubt about the regulations, advice is available from the Town Clerk or a Member of the Management Team.

APPENDIX B - Local Government Act 1972 – Section 117

1. If you become aware that you have a direct or indirect financial interest in a contract which the Council has entered into or intends to enter into, you must tell us immediately.
2. You must not accept any fee or regard other than your normal salary.
3. If you break either of the conditions shown above, you can be prosecuted and fined. (The maximum fine is level 4 on the standard scale).

APPENDIX C - Organisations to Which Paragraph 7D of the Code Applies

Any lodge, chapter, society, trust or regular gathering or meeting which:

1. Is not open to members of the public who are not members of that group.
2. Includes an obligation on the part of the member to make a commitment of allegiance to the lodge, chapter, society or gathering or meeting, and
3. Includes a commitment of secrecy about the rules, membership or how the lodge, chapter, society, trust, gathering or meeting carries out its business.

We do not consider a lodge, chapter, society, trust, gathering or meeting as a secret society if it forms part of a generally recognised religion.

APPENDIX D - The Bribery Act 2010

Under the Bribery Act 2010, it is an offence for you to:

1. Bribe another person.
2. Be bribed.
3. Bribe a foreign public official.

There is also a 'corporate offence' of failing to prevent bribery. Under this, the Council will be guilty of an offence if an 'associated person' bribes someone else, intending to obtain or retain business, or a business advantage, for the Council. 'Associated persons' may include employees, agents and subsidiaries.
