Introduction to Great Aycliffe

The Parish of Great Aycliffe comprises the town of Newton Aycliffe and the villages of Aycliffe and School Aycliffe and is the oldest New Town in the North East.

The population of Great Aycliffe is approximately 26,633 (Census data 2011) and is projected to grow over the next few years.

Great Aycliffe is a vibrant community, set in an attractive semi-rural setting. It is bounded on all sides with open countryside and the area administered by the Town Council contains many attractive green spaces.

There are a great many walking routes, with a number of public rights of way and bridleways giving easy access to extensive areas of green spaces, nature areas and local wildlife areas. Many of the main thoroughfares have tree lined avenues which enhance the green feel of the town.

Throughout the late nineteenth and early twentieth centuries, the mining industry dominated Durham. During World War II, the Government established an ordnance factory near to Aycliffe Village, to supply munitions to the services. The workforce, mainly women, became known as the 'Aycliffe Angels' or the 'canaries' so called because the chemicals used in shells turned their hands and skin yellow.

After the war, Aycliffe became the site of a New Town, planned to provide good quality homes near to Aycliffe Industrial Estate. Under the guidance and control of the Aycliffe Development Corporation, the Town flourished and has grown to be part of the Great Aycliffe settlement.

Schools in the area are generally good and are increasingly linked to the higher education network. The investment and building of a University Technological College on the Business Park has enable young people from the area to have a choice of educational and vocational routes with excellent prospects for employment in nearby facilities.

It has excellent connectivity within and around the town with the A1(M) to the east and the Bishop Auckland to Darlington rail line running through the western side of the town and Business Park with two stations serving the Parish.

Aycliffe Business Park has grown beyond its original 'industrial' title to become the largest business park in the North East, attracting a wide range of international, national and local companies to its premises. The Aycliffe Business Park is home to around 500 companies and around 10,000 employees and continues to expand with a mixed-use retail development and trade park anticipated to commence work in 2019 subject to planning approval.

There is a strong community feel with a wide range of community facilities, voluntary groups, clubs and societies active in the area. A large range of play and leisure facilities are provided by Great Aycliffe Town Council and Durham County Council across the Parish with something for everyone.

Housing conditions are generally above average. Significant levels of new house building means that Aycliffe can offer a wide choice of starter, family and executive homes to new residents coming to the area.

However, parts of Great Aycliffe are ranked within the poorest 20% of deprived areas nationally. As a 'new town' Newton Aycliffe has a higher than average ageing population.

Social housing in the Great Aycliffe area is mainly provided by Livin a 'not for profit' housing association, as well as a number of other registered social and private landlords and private houses.

The town centre has a mix of individual retail outlets and chain stores, with individual retail outlets in neighbourhood areas. A wider range of shopping facilities is available in Darlington, Bishop Auckland and Durham.

As with much of the North East, the highly attractive environment can, however, serve to mask some of the problems inherent in the area. The North East is continuing its transformation from an economy traditionally based on heavy engineering and manufacturing, with a lower skills base, towards the more modern, higher skilled mixed economy visualised in the regional economic strategy. The planned expansion for Aycliffe Business Park and the investment by Hitachi Rail Europe is assisting Aycliffe to have higher aspirations for the Town.

There are 30 Councillors on the Town Council, serving 8 wards:

Byerley Park, Horndale and Cobblers Hall	-	6 Members
Shafto & St Mary's	-	4 Members
Woodham	-	6 Members
Neville	-	2 Members
West Ward	-	6 Members

Please give all the information you think we may need, as we cannot guess or assume anything about you.

You may wish to complete the sections on 'duties and responsibilities' and 'supporting information and experience' by using a word processor and then attaching the printed sheets to the form.
