To recognise those individuals who you believe have stepped up to the challenges brought by Covid 19 to help and support their local community, we present our Local Hero Medal.

The reverse can be personalised with your council crest, along with the individual recipient's name in full colour.

Our Local Hero Medal is supplied in one of our quality presentation cases, showing our Royal Warrant on the inside lid.

The outer lid can also be personalised with your council crest/recipient's name for a small extra cost.
