

APPROVAL OF THE 2022/23 ANNUAL INTERNAL AUDIT REPORT

AGENDA ITEM NO: 14

MEETING: COUNCIL

DATE: 14TH JUNE 2023

REPORT BY: FINANCE MANAGER

1.0 Purpose of the Report

- 1.1 The purpose of this report is to put forward for approval the Annual Internal Audit Report, which forms part of the Council's Annual Governance and Accountability Return, for the 2022/23 financial year.

2.0 Background to the Report

- 2.1 In accordance with Regulation 5 of the Accounts and Audit Regulations 2015, the Council *'must undertake an effective internal audit to evaluate the effectiveness of its risk management, internal control and governance processes, taking into account public sector internal auditing standards or guidance'*.
- 2.2 As Members are aware, during the financial year 2022/23 the Council employed a part time Internal Auditor working 18 hours a week until the end of July 2022. For the remainder of the financial year the Council had a service level agreement with Durham County Council which provided 27 days of internal audit which enabled them to provide the relevant assurance to sign off of the Internal Audit Report contained within the Annual Governance and Accountability Return
- 2.3 This Annual Internal Audit Plan provided for the review of all key financial systems in the year, ensuring that the Council meets the non-statutory guidance for internal audit for town and parish councils, as set out in Section 4 of the 'Joint Panel on Accountability and Governance Practitioners' Guide'. This document is produced annually by the Joint Practitioners Advisory Group (JPAG) and published by the National Association of Local Councils (NALC).
- 2.4 Progress on the internal audits undertaken, including the key findings, conclusions and recommendations, is reported to and considered by the Council's Audit, Risk and GDPR Sub Committee on a regular basis.
- 2.5 Any weaknesses in the Council's internal control arrangements that were identified by the Internal Auditor during the year would initially be reported to and considered by the Audit, Risk and GDPR Sub-Committee, and subsequently reported to the Policy and Resources Committee. Any recommended actions to improve the system of internal control and address any weaknesses would be considered and approved at these committees.

- 2.6 Any significant weaknesses in internal control identified during the year would be reported to Council in the annual review of the effectiveness of the system of internal control. This review would include the recommendations made and actions taken to address the weaknesses and improve the Council's system of internal control.
- 2.7 As reported to the Council meeting on 15th March 2023, there were no weaknesses in internal control identified during the 2022/23 financial year.
- 2.8 A review of the Council's internal audit arrangements was undertaken in 2022/23 which concluded that they had operated effectively during the 2022/23 financial year and were relevant to the size of the Council and the scope of its activities.
- 2.9 This review was approved by the Council's Policy and Resources Committee on the 8th March 2023 and provides assurance that the Council's internal audit arrangements are fit for purpose.

3.0 2022/23 Annual Internal Audit Report

- 3.1 The Council's 2022/23 Annual Governance and Accountability Return includes an Annual Internal Audit Report.
- 3.2 This report sets out fourteen internal control objectives which highlight the key systems, procedures and internal controls that are expected to be in operation in larger town and parish councils during the financial year. These internal control objectives are as follows:-
1. Appropriate accounting records have been properly kept throughout the financial year.
 2. The Council complied with its financial regulations, payments were supported by invoices, all expenditure was approved and VAT was appropriately accounted for.
 3. The Council assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.
 4. The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.
 5. Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.
 6. Petty cash payments were properly supported by receipts, all petty cash expenditure was approved and VAT appropriately accounted for.
 7. Salaries to employees and allowances to members were paid in accordance with the Council's approvals, and PAYE and NI requirements were properly applied.
 8. Asset and investments registers were complete and accurate and properly maintained.
 9. Periodic and year-end bank account reconciliations were properly carried out.
 10. Accounting statements prepared during the year were prepared on the correct accounting basis, agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.

11. If the authority certified itself as exempt from a limited assurance review in 2021/22, it met the exemption criteria and correctly declared itself exempt.
 12. The Council publishes information on a free website/webpage up to date at the time of internal audit in accordance with the relevant legislation.
 13. In the year covered by this AGAR, the Council correctly provided for a period of the exercise of public rights as required by the Accounts and Audit Regulations *(during the 2022-23 AGAR period, were public rights in relation to the 2021-22 AGAR evidenced by a notice on the website and/or Council approved minutes confirming the dates set)*.
 14. The Council has complied with the publication requirements for the 2021/22 AGAR.
- 3.3 The Council's Internal Auditor is expected to provide a conclusion as to 'whether, in all significant respects', each internal control objective has been 'achieved throughout the financial year to a standard adequate to meet the needs of the Council'.
- 3.4 If the Internal Auditor is not able to provide a 'yes' response to an internal control objective, they are required to 'state the implications and the action being taken to address any weakness in internal control' that may have been identified.
- 3.5 If an internal control objective has not been covered during the year, the Internal Auditor must state 'when the most recent internal audit work was completed in this area and when it is next planned'.
- 3.6 A copy of the Annual Internal Audit Report for the year ended 31st March 2023 is attached to this report at Appendix 1 for Members' consideration.
- 3.7 As can be seen, based on the internal audit work completed during the 2021/22 financial year, the Council's Internal Auditor is satisfied that all of the internal control objectives have been achieved throughout the year to an adequate standard and has completed and signed the Internal Audit Report to confirm this.
- 3.8 It is therefore recommended that the 2022/23 Internal Audit Report is approved by the Council.
