## Introduction to Great Aycliffe

The parish of Great Aycliffe comprises the town of Newton Aycliffe and the villages of Aycliffe and School Aycliffe and is the oldest New Town in the North East. The population of Great Aycliffe is approximately 26,633 (Census data 2011) and is projected to grow over the next few years.

Great Aycliffe is a vibrant community, located in an attractive semi-rural setting. It is bounded on all sides with open countryside and the area administered by the Town Council contains many attractive green spaces.

There are a great many walking routes, with a number of public rights of way and bridleways, giving easy access to extensive green spaces, nature areas and local wildlife areas. Many of the main thoroughfares have tree lined avenues which enhance the green feel of the town.

Throughout the late nineteenth and early twentieth centuries, the mining industry dominated Durham. During World War II, the Government established an ordnance factory near to Aycliffe Village, to supply munitions to the services. The workforce, mainly women, became known as the 'Aycliffe Angels' or the 'canaries', so called because the chemicals used in shells turned their hands and skin yellow.

After the war, Aycliffe became the site of a New Town, planned to provide good quality homes near to Aycliffe Industrial Estate. Under the guidance and control of the Aycliffe Development Corporation, the Town flourished and has grown to be part of the Great Aycliffe settlement.

Schools in the area are generally good and are increasingly linked to the higher education network. The investment and building of a University Technological College on the Business Park has enabled young people from the area to have a choice of educational and vocational routes with excellent prospects for employment in nearby facilities.

There is excellent connectivity within and around the town, with the A1(M) to the east and the Bishop Auckland to Darlington rail line running through the western side of the town and Business Park, with two stations serving the parish.

Aycliffe Business Park has grown beyond its original 'industrial' title to become the largest business park in the North East, attracting a wide range of international, national, and local companies to its premises. Aycliffe Business Park is home to around 500 companies and around 10,000 employees and continues to expand, with a mixed-use retail development and trade park.

There is a strong community feel, with a wide range of community facilities, voluntary groups, clubs, and societies active in the area. A large range of play and leisure facilities are provided by Great Aycliffe Town Council and Durham County Council across the parish, with something for everyone.

Housing conditions are generally above average. Significant levels of new house building means that Aycliffe can offer a wide choice of starter, family and executive homes to new residents coming to the area.

However, parts of Great Aycliffe are ranked within the poorest 20% of deprived areas nationally. As a 'new town' Newton Aycliffe has a higher-than-average ageing population. Social housing in the Great Aycliffe area is mainly provided by Livin, a 'not for profit' housing association, as well as a number of other registered social and private landlords.

The Town Centre has a mix of individual retail outlets and chain stores, with other retail outlets in neighbourhood areas. A wider range of shopping facilities is available in Darlington, Bishop Auckland, and Durham.

As with much of the North East, the highly attractive environment can, however, serve to mask some of the problems inherent in the area. The North East is continuing its transformation from an economy traditionally based on heavy engineering and manufacturing, with a lower skills base, towards the more modern, higher skilled mixed economy visualised in the regional economic strategy. The planned expansion for Aycliffe Business Park and the investment by Hitachi Rail Europe is assisting Aycliffe to have higher aspirations for the town.

We are aware of the importance of the social, economic, and environmental well-being of the Great Aycliffe area. We are endeavouring to work with Durham County Council, other organisations, and partners to ensure the best results for Great Aycliffe residents.

## Views on the Plan

The Town Council welcomes your views and comments on the Town Council Service Delivery Plan (the Plan), and these can be sent to: Daniel Austin, Town Clerk, Great Aycliffe Town Council, Council Offices, School Aycliffe Lane, Newton Aycliffe, Co Durham, DL5 6QF

# Town Council Organisation Structure

In February 2015, following the town wide survey undertaken as part of the Neighbourhood Plan process and after consideration by Council, it was agreed that the Town Council strategic mission statement should be:

**“A proactive and responsive Council, working in partnership, listening to and speaking up for the community, contributing towards making Great Aycliffe an excellent place in which to live for all its residents”**

In support of this statement, the Council agreed a number of strategic aims, which are reviewed on a regular basis. These are still considered fit for purpose and will help achieve the overall vision. The eight strategic aims are:-

1.	<b>To provide good quality governance and management of the Council.</b>
2.	<b>To manage the council’s finances and assets in a responsible manner.</b>
3.	<b>To provide accessible, affordable leisure facilities and opportunities.</b>
4.	<b>To provide pre-school education as appropriate in Great Aycliffe.</b>
5.	<b>To contribute to the environmental improvement of Aycliffe by managing and developing parks, play areas and green spaces.</b>
6.	<b>To help and encourage partnership working to improve the services and facilities for the residents of Great Aycliffe.</b>
7.	<b>To encourage the residents of Great Aycliffe to become involved in local democracy.</b>
8.	<b>To research information and make the case for Great Aycliffe.</b>

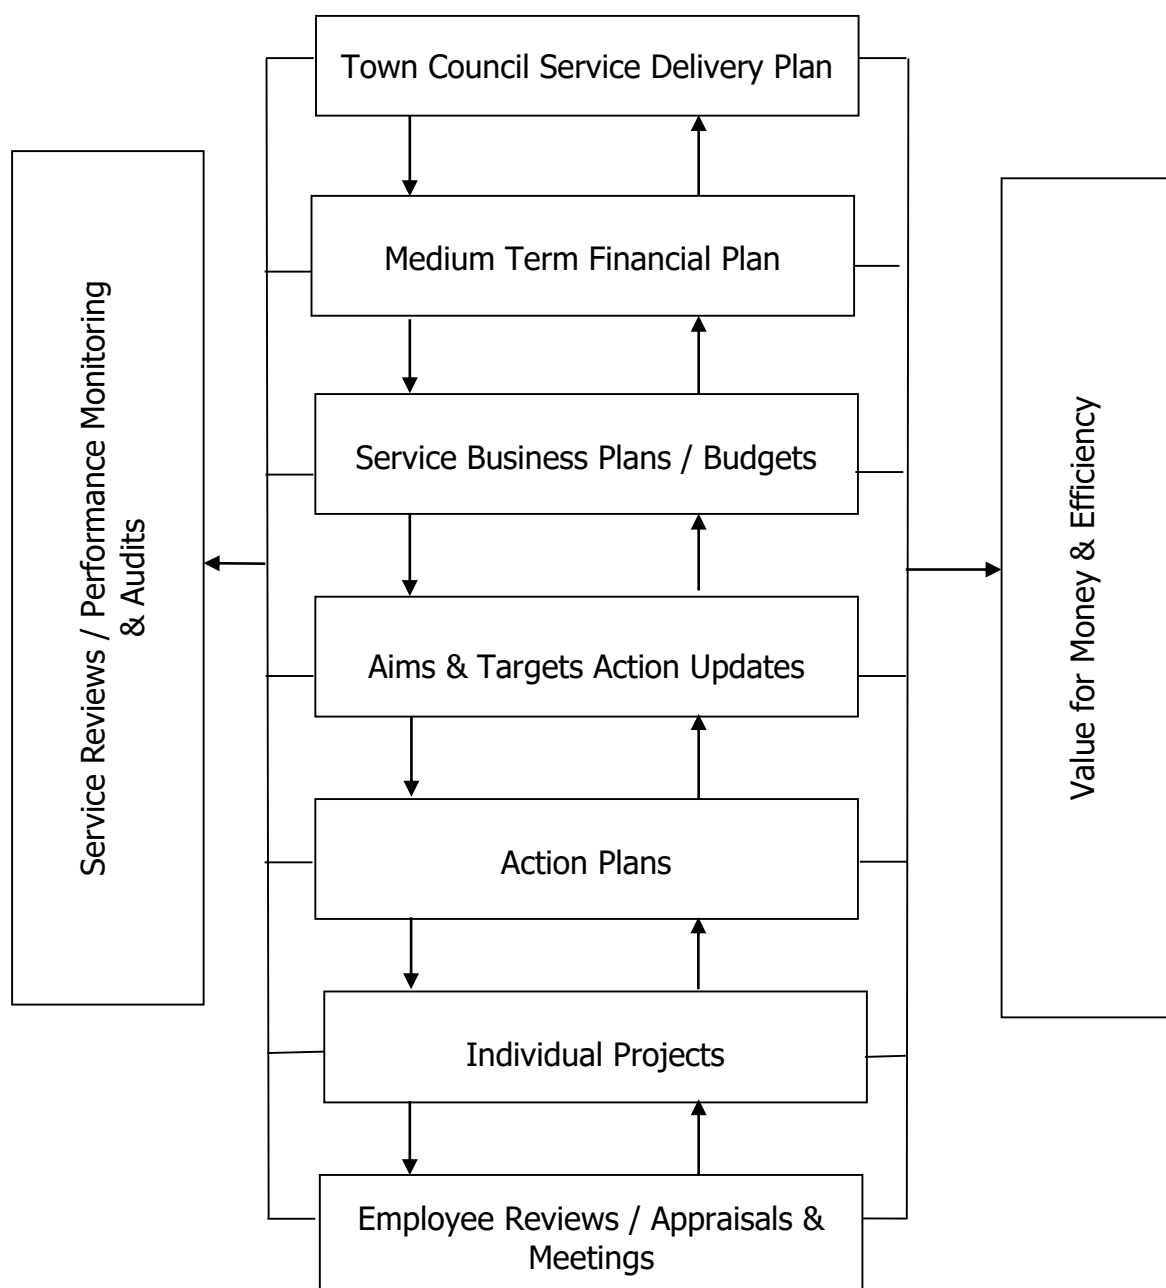

As part of the Great Aycliffe Neighbourhood Plan (GANP) consultation process, residents were asked specifically about Town Council services, including if they considered the vision and strategic aims were still relevant for the Town Council and the residents of Great Aycliffe. 93% of respondents agreed the vision and 92.5% of respondents agreed the strategic aims were still appropriate.

The Council sets a series of targets under each aim to ensure that the aims are met. The targets are reviewed annually as part of the end of year assessment process. Following the GANP consultation, a more robust and comprehensive review was undertaken by Senior Management Team and the Performance Management Group to ensure comments made during the consultation process could be incorporated into the targets for the Town Council.

## ***Performance Management***

The successful introduction of a comprehensive performance management framework a number of years ago ensures a consistent approach to performance management is applied across all services. Quarterly monitoring of targets and regular progress reports to the Council are also undertaken. These improvements have been closely linked with the budget setting process and risk assessment.

Progress on Council targets is discussed at Performance Management Group, which all service managers attend. The Council regularly reviews progress on the existing targets and works with Senior Officers to set new targets for the coming year. A report is given to the Council on a quarterly basis, while residents are informed and consulted via the Council's newsletters and through engagement with community groups and organisations. The progress made during the year informs the development of targets for the following year.

## *Council Targets 2022/23*

When setting targets, every effort is made to ensure the aims and targets are closely linked to medium-term financial planning, the budget setting process and within the context of the Council's Asset Management Plan. It is acknowledged that some work matters, and capital projects are generated from other areas as and when funding becomes available.

Additional funding is occasionally made available from other sources, giving rise to one-off projects that are not part of the aims and targets but are important to take advantage of. The Town Council Service Delivery Plan is therefore only a guide for the Council in deciding on spending priorities in future years and guides the medium-term financial planning for the Council.

The targets for the last financial year (2022/23) including a statement of progress achieved against each target are set out in **Appendix 1**, which provides the close out status on the targets.

## *Council Targets 2023/24*

We aim to take into account your views and act upon your priorities in order to improve our services for the people of Great Aycliffe.

We also strive to take into account the wider government agendas where possible, such as the Area Action Partnership and the general health improvement agenda.

Consultations, questionnaires and attending public meetings ensure we are able to reflect the needs of the residents when we set and prioritise the targets for the Council. The Council's budgets are developed in line with these targets and an annual budget consultation is also held with residents.

It is worth noting, once again, that the **Town Centre is in private ownership and is NOT** the responsibility of the Town Council.

The list of new targets for the coming financial year (2023/24) can be found at **Appendix 2**.

## Corporate Services and Personnel

This service area covers corporate and cross-cutting issues which have an effect across the entire Council. These are policy, planning, risk management, administrative and committee services, training, and customer engagement. In addition, this service area is responsible for the implementation of performance management arrangements, particularly for setting up systems for monitoring the Council's progress in relation to continuous improvement.

The **objectives** of this service are:

- ◆ To ensure timely and appropriate advice to the Council on matters affecting its strategic and corporate activities
- ◆ To ensure effective management and implementation of the Council's policies and priorities
- ◆ To be aware of, and ensure compliance with, all duties and obligations as laid down in Acts of Parliament, statutory instruments, and specific guidelines
- ◆ To ensure compliance with the General Data Protection Regulation (GDPR)
- ◆ To maintain and update the Council's Constitution and Standing Orders
- ◆ To provide professional support and advice to Members and staff
- ◆ To ensure the effective organisation and running of the Committees of the Council and oversee the production of agendas and minutes of meetings
- ◆ To provide timely and appropriate advice in relation to all employee and employer relations issues
- ◆ To monitor and manage the Council's risks
- ◆ To manage and oversee the Council's arrangement for health and safety
- ◆ To provide advice in relation to training requirements for members and employees, including delivering training when possible
- ◆ To deal with Town Council land and property matters including village greens, sales, and acquisitions
- ◆ To prepare the annual Town Council Service Delivery Plan, including the setting of aims and annual targets
- ◆ To manage and administer the Council's Performance Management Framework.
- ◆ To oversee the use of consultants by the Council
- ◆ To maintain the Town Council's website and ensure an effective IT support service is provided across the Council
- ◆ To ensure the effective running of the Youth Council
- ◆ To provide support and guidance for any elections
- ◆ To support the annual external audit inspection
- ◆ To ensure the Great Aycliffe Neighbourhood Plan is a robust document, helping to maintain high standards of development appropriate to the Parish

## Administration

The Administration Section of the Council produces all minutes and agendas and provides support to other service areas and Members.

The **objectives** of the Administration function are:

- ◆ To provide effective, efficient typing and administrative support to officers and Members and reception services to the public in relation to the Council's functions.
- ◆ To manage the records of the Council.
- ◆ To assist with the upkeep of information on the Town Council's website.
- ◆ To provide the necessary support at meetings of the Council and its Committees

## *Members and Civic Services*

This service area covers principally the work undertaken by the Mayor's Secretary and the general administration office staff in supporting the Mayor during their year of office.

The **objectives** for this service area are:

- ◆ To support the Mayor in their year of office
- ◆ To ensure that proper conventions and protocols are observed at all times
- ◆ To organise the necessary civic functions agreed annually by the Council
- ◆ To assist with civic hospitality for the Council and its guests
- ◆ To manage the Members' Allowances Scheme

## *Finance Section*

The Finance Section is responsible for the overall financial management of the Council and also provides an important support service to the Council's front-line service areas, and to officers and members of the Council.

The Finance Section also plays an important corporate role in helping to ensure that sound arrangements are put in place for securing economy, efficiency, and effectiveness in use of the Council's financial resources and in ensuring that the Council provides value for money to council taxpayers.

The **main responsibilities** of the Finance Section are detailed below

- ◆ Updating and monitoring compliance with the Council's Financial Regulations and Standing Orders for Contracts and Procurement
- ◆ Managing and developing the Council's accounting systems, internal controls, financial records, financial policies, and procedures
- ◆ Reporting on the Council's financial performance
- ◆ Providing financial information to Members and Officers including the regular reporting of budgetary control during the year
- ◆ Preparing the Annual Revenue Budget and Capital Programme
- ◆ Preparing the Medium-Term Financial Plan
- ◆ Preparing the Annual Report
- ◆ Preparing the Statement of Accounts
- ◆ Treasury Management including the maintenance of the Treasury Management Code of Practice and the management of the Council's cash flow, loans, and investments.
- ◆ Managing an effective payroll service
- ◆ Managing an effective accounts payable and receivable function to ensure that all invoices are raised and paid promptly
- ◆ Managing an effective income collection and banking system to ensure that all monies receivable by the Council are collected and banked promptly
- ◆ Insurance arrangements
- ◆ Banking arrangements
- ◆ Taxation
- ◆ Ensuring an effective Internal Audit service
- ◆ Providing financial advice and training

Detailed information on the Town Council's finances can be found in the Medium-Term Financial Plan, Revenue and Capital Budget, Accounts and Finance Service Plan.

## *Capital Investment and Asset Management*

The Council reviews its programme of proposed capital projects on an annual basis. Capital projects are those that relate to significant one-off investment in the Council's fixed assets such as its buildings, vehicles, and machinery. Some represent one-off proposals, others a continuing programme of improvements in a particular area.

Capital Programme Budgets are prepared annually, based on the future capital investment requirements set out in the Council's Asset Management Plan. Indicative five-year capital budgets are also included in the Council's Medium Term Financial Plan.

The Asset Management Plan covers a ten-year period and ensures that the Council takes a planned approach to the long-term maintenance of its assets. It also ensures that capital projects are undertaken within the context of the Council's strategic aims and targets set out within this document.

The Council made **capital investment of £165,191 in 2022/23** and the main capital works completed during the year are listed below:

- Flat roof replacement at the Council Offices
- CCTV works at the depot
- Internal CCTV installation at St Oswald's Pre School
- Purchase of two single cab vehicles
- Purchase of electric machinery
- Purchase of replacement ICT equipment
- Website improvement works
- Replacement festive lighting
- Replacement goals
- Improvements to the driving range ball dispenser machine
- Golf course ditch clearance works
- Purchase of cemeteries grave shoring equipment
- Purchase of Remembrance Seating
- Ash Tree Dieback Disease works
- Street Lighting upgrades to LED
- Replacement height restrictor at the offices visitors' car park
- Purchase of Rapid Deployment CCTV cameras, and
- Aycliffe Nature Park resurfacing works

There was therefore a substantial underspend of almost £425,234 compared to the 2022/23 Capital Programme Budget.

This 'saving' was due a number of factors, including a number of projects being deferred to future years following the Council's review of the 2022/23 Capital Programme, and the fact that many of the projects included in the budget were 'provisional' sums which did not go ahead this year, whilst some projects have been delayed, and the final costs on a number of other projects were less than budgeted.

The **Capital Programme Budget for 2023/24 totals £116,500** and includes provision for the following planned projects:

- Automatic door motor at the Council Offices
- Depot alarms upgrade
- Replacement of fairways mower cylinders;
- Ongoing purchase of electrical works machinery
- Essential computer replacements and website development
- Upgrade of the sports and golf complex till and booking system
- The ongoing programme of replacement festive lighting
- The ongoing programme of play area surfacing replacement
- Provision for ongoing repairs to the golf course irrigation system
- Various works to the sports complex building including roofing and drainage repairs, external redecoration, public address system and electrical vehicle charging points (subject to external funding)
- Replacement public seating
- Bus shelter repairs, and
- Ongoing programme of footpath repairs

In addition to the above **a total of £335,500 has been carried forward from 2022/23** to meet the cost of ongoing capital projects and provisional sums. These carried forward projects include:-

- Security gate works at the depot
- Internal CCTV at St Oswald's pre-school
- Migration of electronic data to the cloud
- Information technology infrastructure improvements
- Photocopier replacement
- Upgrade of the main computer server
- Play area safety surfacing replacement at St Oswald's Park
- Skate park repair works
- Works at the driving range including steelwork painting and replacement ball washing machine
- Works at the golf shop including replacement flooring and works to the alarm system
- Various works at the sports complex including roofing repairs, security improvements, bar furniture replacements, sports hall flooring maintenance and kitchen equipment replacement and squash court flooring
- Replacement litter and dog bins, and public seating
- Replacement perch seating in the bus shelters, and
- Activity in relation to Ash Tree dieback works

**The 2023/24 Capital Programme Budget will be funded from the Council's Earmarked Capital Reserves, which are set aside for this purpose.**

Further details on the Council's recent capital spending and capital investment plans for the future are provided in the 2022/23 Outturn Report, 2023/24 Budget Document and the forthcoming Medium-Term Financial Plan.

## Neighbourhood Plan

The Great Aycliffe Neighbourhood Plan (GANP) was agreed by public referendum in 2017 after an extensive period of public consultation. It is a statutory planning document, which covers the parish of Great Aycliffe. Its planning policies relate to land and business use in the parish for 20 years from the date of the Plan. The GANP is community led; it sets out the vision and objectives of the residents of the parish, which are:

*'To make Great Aycliffe a vibrant community, the Great Aycliffe Neighbourhood Plan will seek to enhance the natural environment, support and encourage high quality housing, local jobs and improved retail and leisure facilities in a healthy, green and attractive town'.*

## Community Consultation

A wide range of consultations take place on a regular basis, and we use a number of different methods to encourage people of all ages to take part and give us their views. We are flexible in our approach to consultation, but our methods are realistic in terms of cost and available resources.

We produce and publish a quarterly e-newsletter and continue to develop our social media.

Surveys are undertaken each year for users of the Oak Leaf Sports Complex and Senior Citizens' Excursions.

The allotment holders are surveyed every two years, and other surveys are undertaken as and when required, using a mixture of paper and online methods for consultation.

Officers from the Town Council attend community events to highlight the services it provides and gather residents' views.

## Results and Comments from the 2023/24 Budget Consultation

The Council takes residents' views into account when planning services and taking spending decisions. The annual Budget Consultation provides an opportunity for you to comment on our budget proposals.

The annual budget is important to the community in terms of how our spending plans may impact on the provision of local services and investment in assets for the benefit of the town, and regarding the level of Council Tax that we need to raise from local taxpayers in order to fund these plans.

Consultation on the Council's draft 2023/24 budget proposals was undertaken this year via an online Budget Survey which was widely publicised on the Council website, in the local press, and on the Council's social media channels. Hard copies of the survey were also placed in a number of community locations including the library and community centres.

A total of 14 responses were received, which is significantly down on the 67 responses received last year.

The results of the Budget Consultation for 2023/24 are summarised below. We asked:

1. Does the Town Council Tax provide value for money?

<b>Yes</b>	<b>12</b>	<b>85.7%</b>
No	2	14.3%

2. Looking ahead to next year, all things considered, are you in support of the proposed increase in the Town Council Tax (equating to £12.74 per year or £1.06 per month at Council Tax Band A)?

<b>Yes</b>	<b>11</b>	<b>78.6%</b>
No	3	21.4%

## Value for Money

The Town Council considers it vital to continue to deliver services under the ethos of best value and providing value for money to the local taxpayers. It undertakes an annual review of its functions, measures performance on a quarterly basis and produces a number of strategic documents, including this plan and the Medium-Term Financial Plan.

Consultations on specific projects and the annual budget consultation continue to take place.

Great Aycliffe Town Council will continue to make arrangements to secure continuous improvements in the way in which it exercises its functions, having regard to a combination of economy, efficiency, and effectiveness in the use of public money.

The Council will continue to undertake a programme of service reviews which have member involvement. The **Service Review Working Group** is charged with the following responsibilities:

- ◆ To undertake reviews of services as determined by the Council from time to time
- ◆ To consider and make recommendations to the appropriate committee regarding all aspects of value for money for that service

## Election of Mayor

The Council elects a Town Mayor annually from amongst its members, the Mayor for 2023/24 is Councillor Carl Robinson. The Mayor has chosen 'All Disabilities Matter' to raise funds for during his term of office and will be accompanied by his wife, the Mayoress, Carol.

There are a number of formal civic engagements each year including:

- ◆ The Civic Dinner
- ◆ A Civic Service
- ◆ Remembrance Sunday
- ◆ Mayor's 'At Home'
- ◆ Carol Service

Councillor Ken Robson was elected as Mayor of Great Aycliffe in May 2022, with his term of office lasting until the Annual General Meeting of the Council in May 2023.

The Mayoress was his wife, Elaine Robson and Councillor Neville Jones was Deputy Mayor.

The Mayor raised a total £1,988 each for his chosen charities: Together 21 and Wishing Well during the term of office.

## Members

The Council has a membership of 30, which is made up of 5 Labour, 17 Independent and 8 Liberal Democrat Councillors.

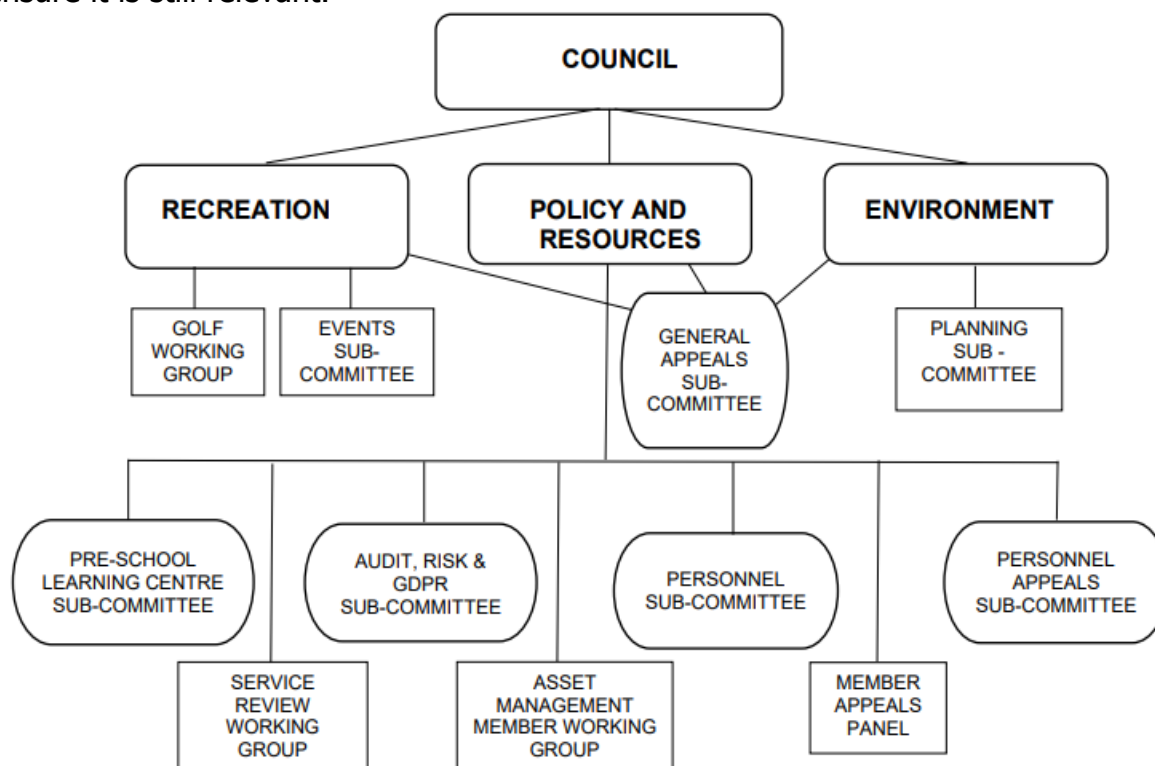

The area represented by the Town Council is divided into eight wards.

◆ Aycliffe Village	1 member
◆ Aycliffe Central	3 members
◆ Byerley Park, Horndale and Cobblers Hall	6 members
◆ Neville	2 members
◆ Shafto/St Mary's	4 members
◆ Simpasture	2 members
◆ Woodham	6 members
◆ West	6 members

The Council conducts its business through committees and the committee structure is set out below. The responsibilities of each committee are set out in the Council's Constitution and are reviewed annually. The Member contact details can be found at the end of this document.

## Committee Structure

The Council originally considered its Constitution in 2005/06. The Constitution was adopted in May 2009 with a review undertaken each May. The Constitution is reviewed annually to ensure it is still relevant.

The Local Authorities' (Members' Allowances) Regulations 2003 came into force on the 1st May 2003, which allowed the Council to pay each member a basic parish allowance.

After taking advice from the Independent Remuneration Panel of Durham County Council in 2018, the level of remuneration was set at £1,330 per annum for each member of the Town Council. This amount has not increased since that date.

## *Appointment of Committees*

The three main committees are appointed at the Council's Annual General Meeting in May each year and a list of the dates for the committee meetings in 2023/24 is set out in the Council's newsletter and are available on the Council's website.

Members for the various sub-committees, working groups and representatives on outside bodies are also appointed at the Council's Annual General Meeting.

## *Public Participation*

Meetings of the Council, its Committees and Sub-Committees are normally open to the public, unless their presence is prejudicial to the public interest because of the confidential nature of the business or for some other special reason.

Notices and agendas are displayed on local and Council notice boards. Agendas and reports are available from the Council Offices or website on the Friday afternoon preceding the meeting. Meeting dates are published in the Council's newsletter.

The public entrance to the council chamber opens 30 minutes prior to the start of the meeting.

During the public questions item on Council, Committee and Sub-Committee agendas, members of the public may make representations, ask questions, and give evidence in regard to agenda items at the meeting attended. A period of up to 20 minutes has been allocated at each Council or Committee for this purpose. Each person may speak once for 3 minutes only in respect of business itemised on the agenda.

With the exception of the Annual and Extraordinary Council meetings, members of the public may submit a written question, in advance, for the Council agenda. In addition, verbal questions may also be raised by the public.

However, there are strict protocols governing written and verbal public questions and the circumstances in which they may be posed and responded to. Full details governing written and verbal questions to the Council are included on the website or may be obtained from the Council Offices.

## *Public Filming, recording or other reporting at Council/Committee meetings*

The Council understands that it is required by legislation to allow any member of the public to take photographs, film and audio record the proceedings and report on all public meetings and that **no** prior permission is required. However, we ask that any person wishing to film, or audio record a public meeting let Council staff know in order that all necessary arrangements can be made for the public meeting.

The Council will provide “reasonable facilities” to facilitate reporting and provide a space to view and hear the meetings, seats, and a table. However, this will not be part of the seating arrangements for the Council itself or an area required by Council staff or invited guests. It is not permitted to provide a running verbal commentary

Those undertaking reporting must not act in a disruptive manner such as making excessive noise, use of intrusive lighting, use of flash photography or moving around the designated area without the consent of the Chairman.

Public will be excluded from a meeting, under the Council’s Standing Orders, if acting in a disruptive manner.

Recording equipment must be removed from the chamber if at any stage the meeting becomes a private meeting. No trailing cables or plugging in to sockets of electrical equipment will be permitted.

Children and vulnerable adults are not to be filmed, recorded, or photographed or otherwise reported about where the relevant responsible adult has not given consent.

Part of the public area will be used, if required, for children and vulnerable adults or those public attending who do not wish to be filmed, however, this is within the limitation of the Council Chamber and its layout.

Persons taking part in the public participation section, excluding children and vulnerable adults as indicated above, may be filmed, recorded, or photographed or otherwise reported whether they are in a designated area or not.

Persons filming meetings etc. are likely to record personal data of individuals. These persons must take care to ensure that personal data is used in accordance with the General Data Protection Regulations 2018.

## **Representation on Outside Bodies**

Organisations based on the Town may request Members of the Town Council to attend their meetings thereby providing a link between the two, where information and ideas can be shared for the benefit of all.

The Council nominates representatives annually to these organisations and the current list of outside bodies and their representatives are:

- (a) Youth Council: Councillors Tony Armstrong, Dorothy Bowman and the Corporate and Policy Officer.
- (b) County Durham Association of Local Councils: Councillors Arun M. Chandran, Lindsey Aston and the Town Clerk
- (c) Aycliffe Village Hall Association: None appointed at the Annual Meeting.
- (d) Woodham Village Community Association: Councillors Lindsey Aston and Michael Stead

- (e) Great Aycliffe and Middridge Local Councils Committee: Councillors Arun M. Chandran, Peter Bergg and the Town Clerk.
- (f) Larger Local Councils' Forum: Councillors Arun M. Chandran, Lindsey Aston and the Town Clerk.
- (g) Newton Aycliffe Bus Preservation Society: Councillor Ian Gray
- (h) Friends of Stockton and Darlington Railway: Councillor Jim Atkinson
- (i) Western Area Partnership: Councillors George Gray and Ken Robson

### ***Relationship with Durham County Council***

Local government in England and Wales is provided by a network of primary and secondary councils. The primary council serving the Great Aycliffe area is Durham County Council.

Great Aycliffe is constituted as a Town Council and is therefore the tier of local government closest to the residents.

Durham County Council is responsible for providing education, social services, fire and consumer protection, strategic and local planning, waste collection and disposal, economic development, and leisure. Durham County Council has a number of Area Action Partnerships which try to provide a link between the residents and the County Council.

The Area Action Partnership has been in place since April 2009 – The Great Aycliffe and Middridge Partnership (GAMP) serves the Parish of Great Aycliffe. The Town Council makes every effort to play a significant role within this group and wherever possible reflect the wider needs of the area.

# TOWN COUNCIL SERVICE AREAS

## Service Areas

This section of the plan explains the individual services we provide and the purpose of the service.

Because of the increasing emphasis on ensuring that all Great Aycliffe Town Council targets can demonstrate direct linkage to the overall aims of the Council, individual service areas have developed service plans and action plans which can be linked back clearly to the Council's strategic aims within this Plan.

### *Works and Environment Section*

The Works and Environment Section provides a range of grounds maintenance services, including grass-cutting, floral bedding displays, hard and soft landscaping, tree maintenance and planting, play equipment maintenance and installation, litter-picking, supervision of park activities, maintenance of parks, playing fields, woodlands, nature areas, open spaces and amenity areas, a burial service, and the preparation of graves.

In addition, the Section carries out the inspection and maintenance of Town Council owned buildings and property, and inspects and maintains **Town Council owned** footpaths, roads, cemeteries, bridges, public seats, and bus shelters.

The Works and Environment Section provides a range of skilled services to the Council including:

- ◆ Grass cutting
- ◆ Design, planting, and maintenance of annual floral bedding displays
- ◆ Management, inspection and maintenance of amenity trees and woodlands
- ◆ Management and maintenance of shrub beds and perennial borders
- ◆ Management, inspection, maintenance, and renewal of play equipment and play areas
- ◆ Operational management and maintenance of the Oak Leaf Golf Course and Driving Range
- ◆ Management, associated record keeping, burial service and maintenance of two cemeteries
- ◆ Maintenance and burial service of Aycliffe Village Churchyard
- ◆ Management, inspection, and maintenance of allotment sites
- ◆ Management, inspection, and maintenance of Council owned parks
- ◆ Maintenance and inspection of Council buildings and property
- ◆ Maintenance and inspection of Council roads and footpaths
- ◆ Maintenance and inspection of bus shelters, litter bins and public seating
- ◆ Provision of expertise and assistance in setting up and staging special events
- ◆ Management, setting up, inspection and maintenance of Christmas lighting display
- ◆ Management of the community enhancement award scheme
- ◆ Partnership work with other agencies to enhance and improve other amenity areas not under the ownership of Great Aycliffe Town Council
- ◆ Provision and management of a park patrol service
- ◆ Provision of an 'out of hours' service for emergency call outs in relation to security or health and safety issues

- ◆ Supply and maintenance of sufficient plant, vehicles and equipment required to undertake the above services
- ◆ Provision of operational duties in a safe manner as a result of employing safe working practices and undertaking risk assessments to ensure the health and safety and welfare of staff and the general public
- ◆ Work with schools to encourage environmental awareness
- ◆ Management and maintenance of wildflower areas and wetlands

The Works and Environment Service charges are allocated across other service areas' budget headings as appropriate, and this reflects the variety and range of the work which the Section undertakes.

The **objectives** of the Section need to reflect the variety of services provision and are:

- ◆ To ensure adequate provision and management of well-maintained and accessible environmental areas, allotments, cemeteries, parks and play areas, which meet the needs of all the community in a cost effective, efficient, and timely manner

## *Parks and Play Areas*

We currently manage and maintain ten parks, all of which have play equipment.

The ten parks are:

- ◆ Town Park
- ◆ Woodham
- ◆ St Oswald's
- ◆ Simpasture
- ◆ Aycliffe Village
- ◆ Moore Lane
- ◆ West Park
- ◆ Horndale
- ◆ Byerley Park
- ◆ Cobbler's Hall

We also provide and maintain play areas at School Aycliffe, Scott Place, and the Oak Leaf Sports Complex.

The Works and Environment Section carries out maintenance and upkeep of the parks and the play equipment in them and also employs a Park Patrol Service to carry out regular patrols of these areas to prevent anti-social behaviour and any misuse of the facilities. Regular inspections are undertaken of play equipment to ensure that it is safe.

The **objectives** for this service area are:

- ◆ To maintain the Council's parks and play equipment in order to provide a clean, safe environment for the community to use.
- ◆ To carry out a phased programme of replacing play equipment in the Council's parks

## Playing Pitches

The Council provides five full-sized permanent football pitches for the use of the community with 4 senior teams and various youth football teams using these during each football season.

The football pitches are located at:

- ◆ Oak Leaf Sports Complex
- ◆ Simpasture Park
- ◆ Moore Lane Park

In addition, we provide mini-soccer facilities, which cater for junior football teams at the Oak Leaf Sports Complex fields, Simpasture Park and Aycliffe Village.

Our seasonal charges for the pitches range from £555 to £790, depending on location and the facilities provided. Junior team fees are charged at £430.

The **objectives** for this service area are:

- ◆ To seek to provide sufficient playing pitches to meet the demand from the community
- ◆ To ensure that the pitches provided by the Council are maintained to an acceptable standard
- ◆ To liaise with and work in partnership with other appropriate bodies to secure the availability of suitable playing pitches and to consult as necessary with users
- ◆ To keep under review the charging policy for the use of playing pitches

## Allotments

The Council provides and supervises five allotment sites. These are located at Aycliffe Village, Finchale Road, Clarence Chare, Byerley Park and St Oswald's Park. There are a total of 216 produce allotments and fees range from £23.00 to £46.00 per year depending on the size of the plot.

We also provide 7 pigeon sites at St. Oswald's and 5 poultry sites at Clarence Chare.

We provide 9 sites at St. Oswald's for the specific purpose of keeping bees with training sites.

At the inaugural Allotment Tenants Annual Meeting in 2001 and again in February 2010, tenants were asked if they would like to form an allotments association and manage the sites themselves.

The tenants decided that they wanted the Council to manage the sites and agreed to an 'Allotments Charter', which sets out the Council's future commitment to the allotments and also the maintenance standards we intend to achieve and maintain at the sites.

The annual meeting, which is open to all allotment tenants, ensures that the Charter's standards are adhered to.

As a Council we continue to explore new initiatives to reduce green waste and have produced a Good Composting Guide, which has been issued to all tenants.

New allotment tenants are also provided with an Allotment Tenants Handbook, which contains useful information and tips on how to get started.

Training was provided to anyone who was interested on 'How to Keep Bees' to ensure that residents who may wish to take on a 'bee plot' fully understand the requirements of keeping bees.

The **objectives** of this service area are:

- ◆ To provide sufficient allotment plots to meet demand
- ◆ To maintain all allotment sites up to the standards set out in the Council's Allotments Charter and Tenancy Agreement
- ◆ To liaise with allotment holders and their representatives on a regular basis
- ◆ To ensure that the obligations of the allotment holders under the Allotments Charter are carried out

## *Cemeteries and Burials*

The Town Council is the burial authority and is responsible for the following facilities:

- ◆ Stephenson Way Cemetery
- ◆ West Cemetery

Stephenson Way Cemetery was opened for interments in 1963 and West Cemetery in 2000.

Burial spaces are available at both cemeteries. However, Stephenson Way is now restricted to reserved and cremated remains plots as the cemetery nears full capacity.

In addition, the Council carries out the burial function at Aycliffe Village Churchyard and also maintains the church grounds. The burial function is undertaken on a rechargeable basis.

The Council works hard to ensure that not only does it provide high quality services, delivered in a professional and sympathetic manner, but that these standards are also observed by funeral directors and stonemasons when carrying out duties in the cemeteries.

To this end, the Council introduced an approval scheme for stonemasons. Only stonemasons on the approved list are allowed to operate in the Council's cemeteries. Before being accepted on the approved list, stonemasons must provide references from other local authorities regarding standards of workmanship and also produce health and safety documentation and public liability insurance certificates.

In an effort to help bereaved families through a difficult time in their lives, the Council has also produced a reader-friendly booklet, which is issued to grant holders, detailing various aspects of cemetery procedures.

The **objectives** of this service area are:

- ◆ To provide facilities for burials
- ◆ To provide and manage attractive and well-maintained cemeteries for parishioners and non-parishioners alike

- ◆ To ensure that liaison with undertakers, stonemasons, ministers and the bereaved, and the administration of the service are efficient, professional, and sympathetic at all times

## *Street Equipment*

This service area relates to the maintenance of street equipment such as bus shelters, dog bins, litter bins, public seats, and parish footway lighting.

The Town Council provides public seating and most of the bus shelters within the parish (with the exception of the Adshell style shelters located on Woodham Way, Williamfield Way, Burnhill Way, and the Business Park).

We also provide **some** footpath lighting, dog bins and litter bins on areas for which we have responsibility. Although, **Durham County Council is responsible for the emptying of all dog bins.**

The **objectives** of this service area are:

- ◆ To keep under review the demand/requirements for additional street equipment
- ◆ To ensure that existing equipment is maintained in a clean and safe condition
- ◆ To respond effectively to remove graffiti from premises and property for which the Council has responsibility

## *Environment*

One of the key roles of the Works and Environment Manager is to raise environmental awareness within the Great Aycliffe area and two multi-skilled 'Town Pride' operatives enable the Town Council to deal with urgent matters and also assist with various environmental issues.

In addition, the Works and Environment Manager coordinates works with other external bodies such as local schools, Police and Youth Offending Service to raise awareness about the environment, climate change and developing a sense of pride in our local area.

The Environment Centre in Moore Lane Pavilion is the base for many community and school events; this is supplemented with various other activities around the town.

The **objectives** of this service are:

- ◆ To create a greater understanding of the natural environment around Great Aycliffe
- ◆ To provide opportunities for members of the public to become more involved in their Town's practical environmental management
- ◆ To develop and maintain strategic environmental policies for Great Aycliffe Town Council
- ◆ To identify suitable conservation and environmental works for the Town Pride Team and volunteers on natural green areas
- ◆ To examine opportunities to improve the green spaces taken over from Durham County Council and bring them in line with Town Council standards

## *Outside Events*

The Council organises several events each year for its community. This service continues to be popular, with many residents enjoying the various events throughout the year including the following events:

- ◆ Senior Citizens' Excursions
- ◆ Community Enhancement Awards
- ◆ Fun in the Parks
- ◆ Fireworks Display
- ◆ Christmas Lighting
- ◆ Santa Tours
- ◆ Santa Letters

In addition, this year, we celebrated His Majesty The King's Coronation, with a family "Big Lunch" picnic event and will be marking the 75<sup>th</sup> Anniversary of Newton Aycliffe with an "Aycliffe 75 – Through the Decades" family event on Sunday 2<sup>nd</sup> July.

The Council has also provided grant funding and the use of land for the inaugural 'Ayclife' Music Festival on Saturday 29<sup>th</sup> July and has funded a Big Brass Bash event in the Town Park on Friday 14<sup>th</sup> July.

There is input to this service area from a number of staff, principally the Head of Leisure and Events, the Works and Environment Manager and a large number of support staff.

We continually seek to work in partnership with other bodies in the organisation and staffing of outside events.

The **objectives** of this service area are:

- ◆ To organise and/or stage outside events in accordance with the Council's priorities
- ◆ To ensure that the organisation of each event complies with all statutory regulations and requirements
- ◆ To continually survey the community in relation to its satisfaction with such events and to respond to the results of such surveys
- ◆ To actively seek to work in partnership with other appropriate organisations in staging or organising outside events

## *Pre-School Learning Centres*

The Council's aim is to provide a high-quality service, where every child feels protected, is happy and has fun, in a safe and secure learning environment at St Oswald's. We provide up to 40 places for three-year olds in our Pre-School and up to 12 places for two-year olds in our Tots in the Park, term-time only from 8.30am until 3.30pm.

Our standards are high, and St Oswald's Pre-school has received a successful inspection from the Office for Standards in Education (Ofsted), receiving an 'Outstanding' grading at their inspection in January 2023.

To enable us to develop and maintain these standards we have an excellent ratio of well-trained and motivated staff, who work with the children on a daily basis.

The Pre-School Manager ensures the smooth running of the Pre-School and Tots in the Park, in accordance with council policy and current legislation.

The continual training of the staff is vital to the operation of the Pre-School, and the Council ensures that sufficient resources are available to ensure that high standards continue to be achieved.

The **objectives** of this service area are:

- ◆ To ensure the Pre-School is fully inclusive in meeting the needs of all children, particularly those that arise from their ethnic heritage, social and economic background, gender, ability, or disability
- ◆ To ensure that quality learning experiences are provided for the children, appropriate to their stage of development
- ◆ To provide the Early Years Foundation Stage and meet the Safeguarding and Welfare Requirements
- ◆ To ensure that the current high standards within the Pre-School is developed further
- ◆ To ensure that appropriate training is identified and provided for all staff in all aspects for the provision of the service
- ◆ To ensure effective liaison and joint working with other organisations, particularly with Durham County Council, who have an interest in the provision of early years learning
- ◆ To seek to secure, for the benefit of the service, assistance, resources, and contributions towards its operation
- ◆ To keep the service under review and to make appropriate recommendations

## ***Oak Leaf Sports Complex***

The Oak Leaf Sports Complex is a family friendly facility, open 7 days each week from 9.00 am until 11.00 pm. We continue to provide facilities for five-a-side football, badminton, and table tennis within the main sports hall. The Complex also provides the town's only squash courts and indoor bowls facility.

The bar/catering function provides an excellent facility and a range of reasonably priced meals. The function room can cater for 60 users and is able to offer an excellent venue for a number of leisure activities such as private functions, meetings, bridge, and various fitness classes. We employ 25 staff within the Complex, supported by a pool of casual and coaching staff.

The **objectives** for this service area are:

- ◆ To provide and maintain a variety of sporting activities commensurate with the size and capability of the Complex and in accordance with the Council's priorities
- ◆ To be flexible in our approach to the facilities provided
- ◆ To provide and maintain a bar/catering facility
- ◆ To ensure that an efficient and effective booking service is operated for those wishing to use the facilities
- ◆ To seek to maintain or increase levels of usage for each of the activities undertaken
- ◆ To be alert to new initiatives and to seek to diversify events/activities within the Sports Complex and provide appropriate and timely advice to the Council in relation to the same

### *Oak Leaf Golf Course and Driving Range*

The Council provides an 18-hole golf course and an 18-bay driving range. There is involvement from a number of different sections in the operation of both.

The main **responsibilities** for the service are:

- ◆ To collect fees for the Golf Course and Driving Range
- ◆ To operate the Driving Range
- ◆ To work with, and provide an administrative service for, the Oak Leaf Golf Club
- ◆ To promote and support junior golf in all appropriate ways
- ◆ To take tee reservations and to administer party bookings
- ◆ To provide a golf shop with associated professional services

The Works and Environment Section employ green-keeping specialists who are dedicated to maintaining the course to a high standard.

The **objectives** in relation to these two facilities are:

- ◆ To provide a warden service to the golf course through the Park Patrol Service
- ◆ To maintain the Golf Course and Driving Range to an acceptable standard.

The Council also has in place a Golf Working Group whose main responsibilities are:

- ◆ To keep the course layout under review, with the intention of all-year-round 18-hole provision
- ◆ To keep under review the management arrangements for the two facilities
- ◆ To ensure that there is an opportunity within the Golf Working Group for Golf Club Members to make their views known on the operation of the facilities.

## PEST ANALYSIS (Political, Economic, Sociological and Technical Analysis)

In analysing the macro-environment, it is important to identify **external factors** that might in turn affect a number of variables that are likely to influence the operation of the Council.

This PEST analysis is merely a framework that categorises issues as political, economic, social, and technological forces.

This analysis is not a set of rigid compartments into which ideas need to be sorted it is best thought of as a set of information on what is happening externally that will or may affect the service.

## **SWOT ANALYSIS (Strengths, Weaknesses, Opportunities and Threats)**

A SWOT analysis is also undertaken each year to review the **internal factors** that may help or prevent the delivery of the service.

This is a structured planning method used to evaluate the strengths, weaknesses, opportunities, and threats involved in a project or in a business venture.

<p style="text-align: center;"><b>STRENGTH</b></p> <ul style="list-style-type: none"> <li>❖ Strong customer focus</li> <li>❖ Committed workforce</li> <li>❖ Strong working relationships</li> <li>❖ Commitment to service</li> <li>❖ Clear focus on the way forward</li> <li>❖ Different skills</li> <li>❖ Performance management</li> <li>❖ Local employer</li> <li>❖ Sound finances</li> <li>❖ Risk management</li> <li>❖ Adaptable and flexible workforce</li> <li>❖ Health and Safety arrangements</li> <li>❖ Project Planning</li> </ul>	<p style="text-align: center;"><b>WEAKNESS</b></p> <ul style="list-style-type: none"> <li>❖ Rate of change / speed of decision making</li> <li>❖ Time and capacity</li> <li>❖ Lack of specialist knowledge</li> <li>❖ Reliance on Council Tax Support Grant</li> <li>❖ Publicity of Council services and facilities</li> <li>❖ Limited ability to raise funding</li> <li>❖ Staff turnover</li> <li>❖ Lack of career progression opportunities</li> <li>❖ Inconsistent technology</li> </ul>
